

### Annual Poppy Day Sales Set

The American Legion Auxiliary's annual poppy sale to raise funds to assist disabled veterans will be held in this area May 22 and 23. It was announced yesterday.

Volunteers will offer the poppy for sale throughout the area during the two-day drive. Funds received will be used exclusively for the welfare of disabled veterans and their families throughout the state.

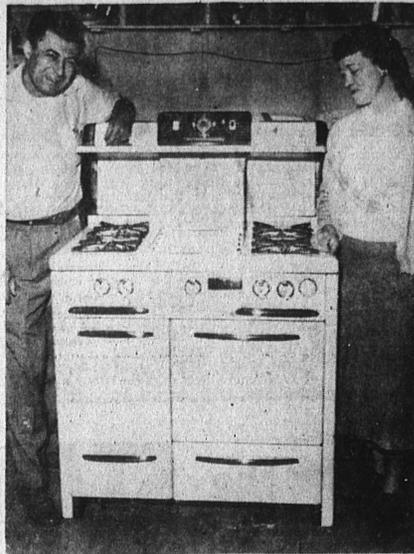

The red crepe paper poppy, replica of the Flanders poppy, was officially adopted in 1921 as the Memorial flower of the American Legion and its auxiliary, and through the years has become a symbol of the dead.

**EUROPE GETS COAL**  
England and other European nations imported 10 million tons of bituminous coal from the United States in 1951.

### Hi-Lites of Seaside

## Teachers Challenge Young Ball Players

By SUE BURK  
Frontier 5-4549

Quite a bit of excitement going on around the Seaside Elementary School these days. It seems that the teachers and the boys in the eighth grade have been putting on a little demonstration of just how baseball should be played. The grades

have been playing among themselves for a long while now, but with the teachers this is certainly going to be a different story. The teachers have one consolation, though; the boys aren't going to hit the ball too hard for they know that the men haven't done any track work for ages and ages.

Talking about activity, it won't be very long before the paper drive is started for the P.T.A. Don't forget to save your old rags and papers for this important drive. Some of the children will be calling at your door around May 21st.

Sorrow and plenty of it in the Renz home on Zakon Road this week, little Mike, age five, had to give up his pet kitten (Peter Mittens). You see, some time ago Peter was bitten across the end of the spine by a stray dog. Although close to \$60 was spent in trying to save the kitten, Dr. Mortimer told them today that Peter would have to be put to sleep. Mike says, "I

don't worry too much for I know he went to Kitty Heaven."

home again as we are to have you back with us.

Enough for now so I'll see you next week.

Sorry to hear that Mrs. Drake, of 5020 Macaffee Road, has been ill these past few days. We hope you are feeling better soon.

Rosemary Grierson, daughter of Mr. and Mrs. Richard Grierson of Zakon Road, is a pretty sick little girl these days. "Roma," as she is called by parents and friends, underwent an operation on her foot. Do hope she feels in top condition soon for all the kiddies miss having boys are happy.

Get well soon to both Mrs. Doris Herbst of Vanderholl, an ex-reporter of this column, and Mrs. Alice Beard of Macaffee. Both ladies have been in the hospital this past few days. Do hope you will be feeling better soon.

How many women would like to have a beautiful home-made cake without going to all the trouble of baking it? You can buy a beautiful home-made cake from the Scouts (Troop 726) soon, for they will be holding a cake sale to help pay for much needed camping equipment. Buy a cake from a Scout!

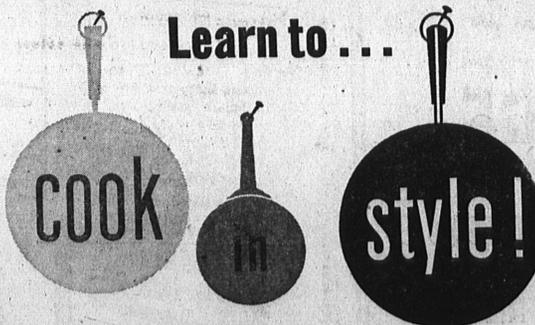

Arnold and Marilyn Jennings and their three children, Cynthia, Jill, and Bart have just returned from a two weeks vacation. They spent their time with Mr. and Mrs. William Rowe of Durango, Colorado. The Rowes own a large ranch in Durango, so we know the kiddies had a wonderful time in the fresh air and sunshine. Welcome home, Mr. and Mrs. Jennings; we know you are as happy to be back
