Mothers, Daughters Hold Banquet, Tea

BY BETTY MITCHELL

The J.F.F. Club held its monthly meeting on Tuesday, May 19, at the home of Mrs. Eva Kelley, Park St. Nine ladies were present. After the regular meeting the women worked on the quilt they are making. Hostess for the evening was Mrs. Mrs. Kelley, who served jello,

cake and coffee. Lucky one was Mrs. John Minor who won the door prize, a ceramic piece made by the hostess. Next June 16, the club will hold its next meeting in the Recreation hall. This will be a very important meeting since nominations for officers for the coming year will be presented. The presence of

all members is urgently requested.

Two mother and daughter affairs were held in our community last week. On Tuesday, May 19, the W.S.C.S. sponsored their annual Mother and Daughter banquet. Over one hundred and twenty-five mothers and daughters attended the affair. The ladies were seated at long white covered tables decorated in the May basket theme with mixed bouquets of flowers in small wicker baskets. Miniature may-poles added to the color, while streamers of ivy gown the center of the table added to the spring feeling. Speaker for the evening was Mrs. Snyder, formerly of Asha and now of Redondo Beach. She gave a very humorous presentation which

added much to the enjoyment of the evening. Also on the agenda were a medley of tunes sung by the Daughters, male barber shop quartet from Torrance, and a vocal solo by Mrs. William Mitchell. Miss Lynn Trantham gave a toast to mothers, while the toast to daughters was presented by Mrs. Carl Cramer. Mrs. Robert Cramer was toast mistress. Mrs. Paul Bowen was general chairman for the banquet.

The second mother and daughter gathering was also held at the Recreation Hall. This was a tea given in honor of their mothers by Girl Scout troop 892. The girls held their tea on Saturday afternoon. The program included dancing and singing by the girls. Each girl was hostess to her own mother, and each presented her mother with a corsage which the girls had made themselves. Nineteen mothers and twenty-two girls enjoyed the afternoon, and partook of the delicious sandwiches, punch, cake, and candy.

Walteria had reason to be proud of another of its members last week at the Torrance Hobby, Art, and Flower show, when Mrs. Opal Simon of Danaha St. won first prize in the cake decoration division. Included in the prize winning display were a sugar church, a baby buggy for stork showers, a horse-shoe for a wedding cake, and several other miniature figures. Opal has become very proficient indeed at cake decorating and if you haven't seen one of her cakes, you are missing a treat.

The M.Y.F. from Walteria attended the sub-district rally last Sunday at the Redondo First Methodist Church. About 54 teen agers attended with 11 attending from Walteria. Miss Colleen Gordon of our local M.Y.F., resident of Newton St., was elected publicity chairman for the coming year. The young people all really had a good time. Accompanying them were the Rev. Gene Gehres, Mrs. Betty Wickstrom, and Mrs. Jean Cramer.

The Pandora Club will hold its monthly meeting tonight at the Persian Room in Wilmington. Sounds like a lot of fun, ladies.

Sorry to hear that Clyde Phelps of Park St is in the hospital after suffering a heart attack. He will be home the first of next month.

It was good to see Mr. Jack Graham of Ward St. back home after a long, long, stay at the San Pedro Community Hospital. Jack was injured on the dry docks last February while he was at work. Here's wishing him the speediest of recoveries to good health.

Also home from the hospital is Frank DiCaro of Danaha St. Frank spent over two weeks in bed after undergoing surgery.

The measles have really kept the Rose family of Newton St. busy lately. First big brother Buddy came down with the pretty red spots, followed by sister Jean, and now by baby brother Raymond. This makes a month and a half of nothing but measles in that home. Glad they don't have any more children, or they would probably come down with the ailment too.

Speaking of measles, Kenny Cramer of Los Codons is all speckled, too, since he came down with aforementioned affliction last week.

Walteria is losing some more residents in the persons of the Glen Lehman family of Hawthorne Blvd. The wife and children are already in Georgia, and Glen plans to join them next month. Many of you readers knew Glen when he was a barber at Penny's Barber Shop on Hawthorne Blvd. Sorry to see them leave, but wish them the best of luck and happiness in their new home.

Received a call from Virginia Jones last week asking that this reporter announce the coming blood bank visit slated for Torrance on June 8. The blood mobile will be in Torrance on that date from three to seven p.m. and is hoped that a big turnout will show that we in Torrance are all good neighbors willing to lend a helping hand to this cause. If any of you readers belong to a men's or women's club and would like to form a group of ten or more for blood giving, why not get busy with your fellow club members and get them together? The blood from the bank is used both locally and in Korea. For those of you who have small children, baby sitting will be provided for you while you pay your visit to the bloodmobile. If you want to make an appointment for this trip you may do so by calling Torrance 3447 or 3448, or by calling this reporter.
