Civitan Club Seeks to Fill Roster in June

Hope that the charter membership of the recently organized Torrance Civitan Club could be completed in time for the June convention of Civitan International in Los Angeles was expressed this week by Frank S. Selover, temporary chairman of the new service club.

Such a goal was presented to the club recently in a letter from Ernest Moore, International president-elect, who said he wanted the honor of presenting the new club to the convention here next month.

The organizing committee and temporary officers of the new service club with Selover are Robert Owens, secretary; Charles I. Greecellus, treasurer; and Lt. Gov. Clyde Potter. Twenty-six local business and professional men have signed the charter application, Selover said.

The new club is being sponsored by San Pedro and Long Beach Civitan clubs. At a meeting at the Hollywood Riviera Beach Club last night, Don Smith, immediate past president of the San Pedro club, presented a talk on "Rare U.S. Coins."

TELEGRAPH DATE
While the first public demonstration of the telegraph was given by Samuel Morse in 1838, it was not until 1843 that the first experimental line was set up, Washington to Baltimore.
