

El Nidoans Hear About Health Aims

The El Nido PTA membership present at last week's Wednesday session welcomed Warren W. Hamilton, director of special services for Torrance Unified School District, who spoke on a special health fact extended to all Torrance students.

It is the aim of the schools, he said, to create a greater desire on the part of the student for better health physically, mentally, and morally.

Hamilton also presented a Walt Disney film that is shown to the students just before immunizations.

Business of the evening included the election of Larry Craine and Mesdames H. McNeese, C. Paekham, L. Meredith, and E. Norton to the nominating committee.

Set Deadline For Rummage

All persons donating clothing or household articles for the Torrance Woman's Club rummage sale on Friday, Jan. 29, must bring them to the clubhouse, 1422 Engracia Ave., or arrange for pick-up service by next Thursday evening, Jan. 28.

This announcement was made this week by Mrs. Paul F. Von derabe, press chairman. Those desiring pick-up service, she said, may call Mrs. Grover C. Van Deventer, president, at FAirfax 8-2376 or Mrs. A. E. Palmer, ways and means chairman, at FAirfax 8-4339.

Setting for the sale, being held to meet the club's philanthropy and operating budget, will be the clubhouse.

TONIGHT POLIO FILM SLATED FOR CITY PTA

Miss Helen Hayes, first lady of the stage and screen, will be presented in a 12-minute picture on polio at tonight's Torrance Elementary PTA meeting, Mrs. William Piercy, publicity chairman, announced.

A film on the activities and curriculum of Torrance High School also will be presented at the 7:30 p.m. session, she said.

"It is hoped there will be a goodly turnout, since the purpose of evening meetings is the attendance of working parents and teachers who have late classes," she added.

Plans for the meeting were made Wednesday morning last week when the executive board gathered at the Arlington Ave. home of the president, Mrs. R. E. Witt.

A letter, read by Mrs. Lloyd Davis, corresponding secretary, brought the "unhealthy situation" of the water standing in front of the school "in fair weather or foul" to the attention of board members. The letter will be sent to City Manager George Stevens.

A paper drive, with proceeds earmarked for welfare work, is scheduled for February, Mrs. H. F. Heinlein, ways and means chairman, announced. "Since the PTA is helping more families in the school than ever before, it is very important that this drive be successful," she said.

Halldale PTA Offers Home Nursing Class

A Red Cross Home Nursing course currently is being offered at the Nazarene Church, corner of Carson St. and Denker Ave., by Halldale Ave. PTA, Mrs. A. B. Tapia, press chairman, announced this week.

The course began last Tuesday and will continue for six weeks on consecutive Tuesdays from 9 until 11 a.m., Mrs. E. E. Salcido, president, told executive board members when they met recently at the school.

The president also announced that enrollment of children in kindergarten will be held during the last week in January. Other business highlights included the ratification of Mrs. E. R. Martin as life membership chairman and the voting of a donation for the Narbonne High School graduation party.

The sixth grade class at Halldale will have its graduation party on Jan. 26, Mrs. Ed Hallway, room mother chairman, announced. The sixth graders and their parents also will have the opportunity of visiting Narbonne High School soon, Mrs. Hallway said.

In the near future, according to Mrs. Amanda Bonwell, principal, the school will sponsor two tribes of Woodcraft Rangers. Also planned for the near future, she said, is construction of a new auditorium.

Mrs. Bonwell closed the session with a talk on the Dillworth Act.
