staged April 2 and 3-9 and 10. Mrs. Claude Ferrel, 724 Calle de Arboles, is president of this organization which has distinguished itself with several fine presentations in the South Bay. Their drama workshop meets weekly on Thursday evenings, at various members' homes, and new members or those interested in attending are welcome. If you aspire to dramatic heights, call FRontier 5-2371 or FRontier 5-4101 for full information.

The "Mothers March" against That's the word from Mrs. Don Dutwiler, 116 Via Colusa, who has been appointed chairman for Riviera for the Mothers March for Dimes for the current polio campaign. The March will be on Feb. 2, she says, with the time yet to be set by those workers who volunteer to help in the collection. Mrs. Dutwiler is asking for volunteers from both upper and lower Riviera to help in this drive. If you can give a smidgin of your time, call her at her home, FRontier 5-3733; she'll welcome your offer. For such a worthy cause, the drive really will take very little of any volunteer worker's time. Outside the preliminary meeting, just a couple of hours work is all that's needed from each volunteer. Give a little, as polio victims gain a lot; call her today.

Born to Mr. and Mrs. Robert W. Semos, 236 Calle de Andaluca, on Sunday, Jan. 17, at Tor-

rance Memorial Hospital, at 10:30 a.m. was a 7 lb., 4 oz. boy, whom they have named Steven Mark. The new arrival is their second son, he being preceded by 3-year-old Michael Jeffrey. Attending physician was Dr. John Beman.

After the report received and reported on last week on the meeting of the South Bay Women's Republican Club, well attended by dignitaries of the party, we thought it might be a nicely-balanced report if we also included what the Riviera Democrats are doing to ready themselves for the 1954 elections. So far, in our checking around, we've found no evidence of action to speak of in this area; but we'll keep trying. Some Democrat somewhere in Riviera must be planning something to aid and abet HIS party.

NEW NEIGHBOR DEPT: Welcome back to Mr. and Mrs. Wendall Moulton, who moved into their new home at 420 Via los Miradores last week. They are former Rivierans, having lived at 428 Calle Mayor until about a year ago, when they sold their home at that address. Again,

welcome back; it's a swell neighborhood to live in!

Construction will begin shortly on four additional classrooms and a cafeteria. This report comes from officials of the Riviera PTA, who add that this addition will complete the planned additions to the school. Since it is estimated that we will have an eventual enrollment of some 1000 students at this school, the addition will only help us to keep pace with present demands rather than reach a point where future requirements are met.

Incidentally, the Riviera PTA held its general meeting for this month on Jan. 20 at 8 p.m., when they presented the topic "Sound Health Strengthens Our Nation," accompanied by the film "Human Growth." A goodly crowd of Riviera parents attended the meeting.

MORE NEW NEIGHBORS: Meet Mr. and Mrs. Edward A. Martin, who recently moved into their new home at 104 Via Esmeralda from their former residence in Manhattan Beach.
