

Kids Mix Birthdays And Valentine Days

By Helen Amos
FAirfax 8-1986

Bill Bradford of 2842 El Dorado celebrated his sixth birthday last Saturday during all the fun. It was a combination Valentine's and Birthday. Lots of games were played and ice cream and cake was served. Children present were: Linda Brook, Elliott, and Andrea Vahr, Stevie Knutson, Coleen Hudekum, Donald Fierce, and Bill's sister Judy.

Susie Corso of 828 Cranbrook celebrated her third birthday Sunday afternoon, Feb. 14. A town was hired for the occasion to entertain the children by doing magic tricks, blowing balloons, and making favors for them. Lunch was served along with ice cream, cake and punch. Those invited were: Barbie Laverty, Steven Williams, Ricki, Randy and Robin Major, Robert Zhe, Stephen Lumpat, Gail Burchfield, Jerry Nelson, Gary Rocha, and Lydia Mendez. All the children were accompanied to the party by their mothers.

Mr. and Mrs. Dean Capps of 2850 El Dorado had a birthday party at their home last Saturday—honoring Mrs. Capps. Those couples who helped them celebrate were Mr. and Mrs. Paul Harstead, Mr. and Mrs. Kenneth Perkins and Mrs. Louis Dyer.

Scotty Truesdell of 1006 Felbar celebrated his birthday rather early this year. His mother gave him a Valentine party at the Torrance Cooperative Nursery. Mrs. Truesdell made little individual heart shaped cakes with little red roses, and each child's name was on his cake. Scotty's birthday is really in April but his mother will be unable to give him a party at that time.

Congratulations to Bill and Mildred McDade of 911 Felbar Ave., who celebrated their thirtieth wedding anniversary last Sunday, Feb. 14.

Mrs. Louis Dyer of 2838 Orondo, took her cub scout den to see "The Robe" at the Academy Theater last Friday. The boys really enjoyed themselves.

Cub Scout pack 201-C is having its Blue and Gold Anniversary dinner at the YMCA tomorrow, February 19, at 6:30 p.m.

Mrs. Joan Schmidt of 1220 Maple is madly cleaning, scrubbing and painting, getting ready for her mother and sister who are arriving some time this weekend. Mrs. John B. Joyce flew from Buffalo N.Y. to New York city where she met her daughter, Carol Joyce. The two of them are flying to L.A. together, after spending a few days in San Francisco first. Mrs. Joyce will spend a few weeks with her family but Miss Joyce will have to return after a day or two.

Congratulations also are in store for Mr. and Mrs. Ralph Cullen of 1317 Cordary Ave. Mrs. Cullen gave birth to a baby boy Feb. 3 at the San Pedro Hospital. The baby weighed eight pounds three ounces and was named Daniel. The Cullens have one other boy, Pat, two years old. Mr. Cullen is employed at AIRResearch.

Steve Peters of 1216 Maple went to the snow last week-end with the Demolay. They went to Idyllwild where they had all kinds of weather. The boys left Friday and came home Sunday.

The Madrona Ave. PTA had its association meeting last night with the new cafeteria patio. The Honorary Life Membership was awarded to Mrs. Irene Hopkins, the school secretary, who has worked faithfully since the school opened, not only with the school administration, but also with the parents and children. Mrs. Baratta, kindergarten teacher, demonstrated a reading readiness program, using parents instead of children. Mrs. Jamison, the city librarian, talked to the association on Children's Literature. Refreshments were served by the room mothers of the second grade.

There must be more women around the tract who would like to have a night away from their husbands for a couple of hours. I mean to bowl. The league will be held on Friday night at 9 at the Hawthorne Bowl. It's lots of fun and exercise. You might even lose some weight. To sign up, call Bev Osborne at FA 8-4025 or Helen Amos at FA 8-1986.

Pack 201-C Cub Scouts met at Fern Ave. School last week to see several Scout movies. Refreshments were served afterward to the boys and their parents.

Rumors are flying about a new organization which is forming—the "We Hate to Paint Club." I understand the worthy members qualify only if they really hate to paint and have run out of excuses at home. The plan is that everyone helps the other paint his house this spring with "refreshments" provided by the household of the home being worked on. Good idea, or is it?
