College President To Speak March 14

By BETTY MITCHELL
DA 6-4438

One hundred-and-twenty people enjoyed chili and pie and a good variety program a week ago last Saturday when the MYF chili supper was held. Enticing the show was Colleen Gordon, who introduced the various acts presented by Rita Hancock, Kendall Baker, Richard Whitmer, Ronnie LiMaster and Gloria Busch. A community sing followed off the evening with every one agreeing that the event had been quite a success. A substantial beginning was made on the Methodist athletic fund by this evening's proceeds, and

the MYF is indeed grateful to the many who gave them such fine support in this endeavor.

Visiting from San Diego a week ago were Mr. and Mrs. Phil Monaghan and their three sons. The Monaghans were formerly residents of Danaha St. and were visiting their many friends here in Walteria. Phil is going to be shipped to the Mediterranean soon for a period of seven or eight months, at the end of which time he will again be stationed at San Diego.

Mrs. John Monaghan wishes to extend her grateful thanks to the many in this area who helped make the Mothers' March for the March of Dimes such a success, both by their contributions and by their labor. Our town went way over last year's amount by contributing \$368 for the worthy cause.

Guest speaker for the MYF on the second Sunday of March will be Dr. Hugh Tiner of Pepperdine College. Dr. Tiner was at one time the youngest college president in the United States, and has gained the reputation of being a fine public speaker. The Torrance MYF will

be guest of the local MYF on that date.

There is a newly organized Samba Card Club now down on Cricklewood St. The girls get together every Tuesday night. Last time they met at the home of Mrs. Peggy Randall. Enjoying the evening were Loretta Stanton, Elaine Kirkhoff, Bonnie Goñas, Jean Wiley, and Virginia Bausman. They finished their evening with boysenberry pie and ice cream accompanied by coffee.

The last meeting of the General WSCS was held at the Methodist Church on Newton St. Over 25 women listened to the wonderful address given by Mrs. Kleppert, teacher for a number of years in the Christian College in Manila. The talk was accompanied by interesting slides. Following the business of the meeting and a pantomime devotion, hostesses Jean Cramer and Wanda Cornell of Circle No. 1 served refreshment. The last circle meetings held by WSCS was a combination meeting of both Circles 1 and 2. The ladies held a white elephant auction which raised a lot of chuckles. Hostesses for the circle meeting were Joyce Beers and Bee Monaghan.

The Nate Gordon family of Newton St. had a very pleasant jaunt this last week-end when they journeyed up to Idyllwild and hiked up to the snow. On their way back they visited for several years residents of friends in Banning, and then Walteria, were welcome dinner guests on Saturday evening a

While mentioning their hike, we were informed that they are now in the market for a nice friendly burro, since they have decided a four-footed beast makes a much easier job of climbing Adolph Ave. have had very welcome visitors in the persons of their daughter, Mrs. Eula Jean Ferren and her son. They were guests at the Morgan home a week ago.

A few flying stops to say hello to their many friends here in Walteria were made by Mr. and Mrs. Paul Bowen and their two daughters on their way back to their new home in Ojai. Both of them are very happy in their new residence, although they miss their acquaintances here.

Real good news on the docket this week, since we hear that Henry Cunningham is home again, joining his wife Marie and son Jimmy at the family home on Newton St. Capt. Cunningham has been recuperating for many months since a heart seizure last fall suffered while he was stationed with the army in Japan.

A very pleasant five-day vacation at Bishop was enjoyed last week by the L. C. Christians of Neece Ave. Seems they are picking up early season sun tans.

Mr. and Mrs. George Powell, for several years residents of Walteria, were welcome dinner guests on Saturday evening a

Local Yo Yo Champs Lose

Torrance yo-yo champion Ronnie Tremaine and Sue Rogers were squeezed out in the district-wide tourney held Friday at the Gardena Recreation Building, but they'll both be back next year to try again. District winner was Dewey Weber of Manhattan Beach and runner-up was Max Mote from Compton. Both boys will be flown to San Diego to compete in the state finals and both receive a new bicycle as a prize. The state winners will get \$500 scholarships.

Ever see a penny* buy so much?

Community growth, such as that experienced in Torrance the past several years, is a wonderful thing—but it does have its problems, too.

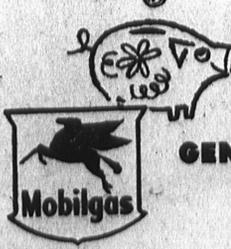

One of our community's most pressing problems is that of providing our youngsters with adequate schools so they may learn to read and write . . . to become good Americans.

As a citizen of Torrance, we're concerned about the educational facilities available to the youngsters of our community, many of whom are children of our General Petroleum families.

After studying the School Bond Issue thoroughly, we're convinced that its passage at the polls next Tuesday is essential if Torrance is to overcome its school problem. We think this issue is a good thing for our city and we support the Torrance Board of Education recommendation for a "Yes" vote.

* The proposed bond issue would increase the average home-owner's tax this year by about \$3.00—less than a penny a day.

Your Vote is Important...Vote "YES" for Schools next Tuesday!
