

Hi-Lites of Seaside

**Talented Seaside
Does Benefit Show**

Have heard oodles of good things about little 14-year-old Herbie Graham of Binkewald Rd. He was one of a very select few who performed at a benefit show in Culver City presented by Meglin Studios. A wee bit of background for our famed laddie, Herbie has never studied voice, but has a grand personality, and can really put a song over. He has appeared on TV for a couple of years now and is the boy who won first prize in the Herald Express Contest for the pony given away by Roy Rogers. This little fellow who attends Seaside Elementary and is just one of the boys, has worked in pictures with such greats of the theatrical world as John Barrymore Jr., William Bendix, The Range Rider and many more. Lots more luck to a great little guy who is on the ladder of success with every step going upward.

Just received word from Mr. Rehboldt of the Seaside School that two new teachers have been added to our faculty. They are Mrs. Selles who has the combination of kindergarten and first, and Mrs. Bridgeman, who has replaced Mrs. Williams who resigned due to her health. May we greet you, new teachers, and hope you'll be content as we are with our wonderful faculty group. We feel that there are no better teachers in all the West.

The kindergarten class of Mrs. Jean Gellerman took a little trip up to the American Airlines. The children were quite thrilled with the huge planes and of course they are all talking about getting to walk around in one of the luxury liners. Room mothers along to help with the kiddies were Mrs. Walker, Mrs. Nollenburger and Mrs. Tockey.

In case anyone is wondering why construction has stopped at the new Meadowbrook School here, the work called on account of rain. The halt right now is because plumbing cannot be laid on top of a pool and the men cannot possibly work in the rain. This means still a double load on Seaside Elementary.

Our good luck goes with Mr. and Mrs. John Middlebrooks and family this week. John and Allmeda are leaving their home on Doris Way to live at 13351 Lilly St. in Garden Grove. Also, another Macaffee resident of long standing is leaving us but not to very far away. Charles and Vera Austin have moved into Torrance, I imagine we shall see

Visitors in the home of Mr. and Mrs. Roland White this Friday evening were Mr. and Mrs. Jim Kincannon of Redondo Beach. Who lost in the last hand of bridge, Marty?

A fashion show and luncheon, presented by the Hawthorne Hospital Women's Auxiliary was held this last week at the Hollywood Riviera Beach Club. A number of the ladies of our

area were present, among them were Mrs. Charlene Phillips, Mrs. Joan Figliano, and Mrs. Dorothy Hurford.

Wouldn't we have loved to be a little mouse in a corner this last Saturday night at the Figliano home on Binkewald. Seems that a number of people wanted a television set without having to pay for it but when they pulled the set from the wall and discovered the insides missing, they quietly left without anything. Joan had sent the insides to the repair shop. Certainly would have liked to see a face or faces drop at the discovery.

Twelve years old, Clifford Burk celebrated his birthday at home with his family March 20. Cliffie's proudest possession is a scouting knife given by his parents, Frank and Sue Burk. Visitors in the Burk home during this week were Mr. and Mrs. Leon Jeff Poor of Playa Del Rey, Mr. and Mrs. James Wilson of Joplin, Mo., and Mr. and Mrs. Howard Smith of Kettler Knolls.

The Explorer Scouts and their dates enjoyed the evening of March 20 at El Retiro Park with a dance given in their honor. Chaperoning the dance and helping with refreshments of cake and punch were Mr. and Mrs. Zakon Rd. address on March 1.

Two more couples in the Heights are Mr. and Mrs. F. A. Heavilin of Zakon Rd., who moved into the area around January. They have a son, David, and all think that this is just wonderful compared to West Virginia. Forest is employed by the Fluor Cooperative, Ltd.

Mr. and Mrs. Siegrist children are Judith, Julia, Vickie, and Mark. Mr. Siegrist is an engineer for the Ford Machine Works of El Segundo.
