## Tartar Teen Talk

By PEGGY WOOD

FA 8-7293

This week is a week of leisure for the Tartars. They are having a well-deserved spring vacation.

Many students at THS are taking part in service projects for Easter. The Tri-HiLY Club is planning to make Easter baskets full of all sorts of goodies for the children in the Harbor General Hospital. The club had a

cookie sale Friday at school to raise money for the baskets.

Another club doing a service project for Easter is the Debs group. They are to go to an orphanage on Easter Sunday and give a program. All the participants will be members of the club. Refreshments also will be served to the children.

Results from the El Monte Relays came out last Tuesday. We were happy to see that some of our Tartars received medals. Receiving second place in the four-man two-mile were Dennis Hester, Jim Babb, Robert Guerra and Jim Stanford. The pole vaulters won second place with Don Forth, Sonny Steele, and Clayton Mallard doing the honors. The B pole vault men took first place due to the combined leaps of Don Iwata, Jack Barber, and Gene Dalmier. Congratulations, trackmen!

Having a wonderful time this week are some Tartars who are away on vacations. Some of them are Cyntia Easley and

The Tartar Ladies are planning an aud call for the Girls League on April 20. The theme will be "Naughty Nineties Review."

The Seniors are starting to sponsor movies at school during noon in the auditorium. They will start Tuesday, April 20. The first movie will be "Take Care of My Little Girl," starring Dale Robertson and Jeanne Crain. The movie will be split into three parts to be shown Tuesday, Wednesday, and Thursday for only 5 cents admission each day. The show will start at 12:35 with the doors opening at 12:45. No lunches will be eaten in aud. Let's all support this project for the Senior Class.

We are very happy to announce that the Student Council has given \$125 to the American Field Service International Scholarship (AFSIS) for helping to bring foreign students over to go to Torrance next year. This chapter is new in Torrance, and we hope all the organizations in town will support it.

The seniors are really busy planning activities now. The music for the all-night party is to be given by the Elliot Brothers and their orchestra.

The Senior trip has been planned. The seniors will leave May 21 on water taxis to cross the beautiful Pacific to "Romantic Catalina Island." The price for transportation is \$5, which is \$1.80 less than the regular cost. All other expenses are not included. After the seniors arrive they will be completely on their own. Advisors already planning to go are Miss Avis, Mr. Harter and Mr. Belknap. Three others will be going. The senior will return to Torrance at 9 o'clock in the evening.
