Seniors Slate Skit, Dental Health Film

A comedy skit by Primrose De Looney (Mrs. Doug McClay in private life) will take the entertainment spotlight following next Wednesday's luncheon meeting of the Torrance Woman's Club, to begin at 12:30 p.m. at the clubhouse, 1422 Engracia Ave.

Miss De Looney will deliver a commentary on gardening from the hypothetical radio station MUD. Skit is designated to promote interest in the Hobby, Arts, and Flower Show, slated for May 21, 22, and 23 at the Civic Auditorium.

A film taken in this city to show how the Torrance Dental Health Association operates also will be featured. The movie is especially timely now, according to Mrs. Paul Vonderhe, press chairman, because the following Thursday the Woman's Club will hold its annual spring dessert card party to raise funds for the Torrance Dental Health Association.

Members will gather at various homes in the community for card play and refreshments at 8 p.m. Tallies; at 75 cents each, are now available and may be purchased by contacting any member of the club.

Also on the future slate for the Seniors is a rummage sale, to be held at the clubhouse on Tuesday, Apr. 27. All those contributing articles are asked to bring them to the sale site by Monday evening, Apr. 26, or arrange for pick-up service that day by calling Mrs. A. E. Palmer, ways and means chairman, at FA 8-4339.

Football Hero Plans to Wed Idaho Miss

Pete Douroux, Torrance High School graduate, proved the old saying that good things come in threes this week, for he is the third Torrance lad attending the College of Idaho to announce his engagement to an Idaho girl this month.

The son of Mrs. Rose Douroux of Long Beach, the former local football hero, who also has played on the College of Idaho gridiron team will wed Miss Barbara Little, daughter of the Harry C. Littles of Caldwell, Idaho. No date has been set for the nuptials.

Engagements of two of Douroux's team-mates, Boyd Crawford and Dick Carrow, were previously announced in the Herald.

Torrance Lass, Lomita Lad Mary, Choose Lomita Home

Now making their home in a mountain resort, are the new who exchanged rings and vows last Friday evening at the Calvary Assembly of God Church.

The bride, the former Miss Betty L. Calder, daughter of the W. R. Calder, 21806 Moneta Ave., chose a white satin gown with nylon tulle-overskirt, short matching train, and lace-oversatin bodice featuring a rounded neckline closed at the back with covered buttons and long sleeves ending in calla points. Her illusion veil was held in place by a tiara and she carried a bouquet of camellias and stephanotis.

Her only attendant, Miss Pauline Chism, was gowned in lavender with a white net overskirt and carried a bouquet of yellow carnations.

Lomita after honeymooning at Mr. and Mrs. Jimmy Rinehart, last Friday evening at the Calvary Assembly of God Church.

Narbonne Ave., Lomita, was Edward Mehler, Roy Don Retubel and Charles Hawley took ushers' posts.

Mrs. John Hawley, the former Miss Patti Swensen, set the wedding mood with two vocal solos, "The Lord's Prayer" and "I'll Walk Beside You," while Miss Doris Shirley accompanied at the organ. Reading the marriage service was the Rev. Fred Martin, pastor of the Revival Tabernacle of Harbor City.

Tall baskets of larkspur and white stock decorated the church for the ceremonies, witnessed by some 300 guests whose signatures were secured by Miss Mary Cash.

Family tradition took over at the post-nuptial reception, held at the chapel. A huge, tiered cake baked by the groom's aunt, the Rev. Charlotte Shook, centered the refreshment table and was cut by Mrs. Winnie Mae Nott. The groom's mother received guests in a navy blue dress accented with pink accessories, while the bride's mother was attired in black silk with contrasting white accessories.

The new Mrs. Rinehart is a summer '53 graduate of Banning High School. Her husband, summer '52 graduate of Narbonne High School, is currently on leave from seven-and-a-half months with the U. S. Navy in Korea. When his leave expires, he will be stationed at Long Beach for a part of his remaining two-and-a-half year service term.

HAPPY EASTER . . . Officers of Tri-Hi-Y are shown as they prepare colorful baskets to make a Happy Easter for youthful patients at Harbor General Hospital. Left to right they are Sandy Sanders, president; Claire Demont, vice-president; and Lynn Saine, historian-reporter. The leaders, along with the entire club membership of 30 will finish filling the baskets, combining philanthropy and fun at a slumber party at the 2023 Arlington Ave. home of Yo Goldsmith tomorrow night. Gifts will be distributed at the hospital Saturday. (Herald photo)

Jobies to Take Herald Employee, Hermosa OES Spotlight Miss Exchange Rings, Vows

Bethel No. 50 of the International Order of Job's Daughters will perform part of their ritualistic work tonight when Torrance Chapter No. 380, Order of the Eastern Star, meets at 8 o'clock at the Masonic Temple, 1321 1/2 Sartori Ave.

Worthy Matron Florence Viellave and Worthy Patron Vincent Viellave will preside during the business session, while Mrs. Mary McDonald will serve as chairman for the social hour to follow.

Simplicity was the keynote Sunday when the romance of Milton K. Svensk, 1309 Manuel Ave., and Bettie Bailey of Hermosa Beach, which began over the romantic music of "Rose Marie" as background, was culminated in marriage at the picturesque Hitching Post Wedding Chapel in Las Vegas.

The Rev. L. D. Lovett, Baptist minister, officiated at the quiet morning rites, for which the bride chose a royal blue taffeta frock studded with rhinestones and pearls and carried a white Bible topped with a single white orchid.

Her seven-year-old son, Richard G. Bailey, served as ring bearer for the double-ring ceremony.

The pair, both members of the South Bay Civic Light Opera Association, met while the group was rehearsing for "Rose Marie," in which the bride played the title role. A lyric soprano, she also has done numerous performances for club and civic groups.

She is the daughter of Mr. Ernest V. Reeves of Lexington, Ky., and H. C. Hemphill of Culver City and currently is employed at North American Aviation in Los Angeles.

Svensk, son of the late Mr. and Mrs. Karl G. Svensk, is employed as photographer and darkroom technician for the Torrance Herald and Redondo Daily Breeze. A graduate of Redondo Union High School, he served as a radio operator with the Third Armored Division for four years during World War II in the European theater.

The newlyweds returned from Las Vegas Sunday evening and are now at home at 821 Manhattan Ave., Apt. 6, Hermosa Beach.

RABBITS CAN'T FLY . . . but little Jimmy Russell, son of the Bill Russells, 23565 Falena St., evidently thinks the Easter bunny can, for he's busy climbing a tree at Torrance Park to see what the long-eared furry creature has laid for him. Satisfied with seeking through the grass are Debbie Agapito and her brother, Vince, children of the J. V. Agapitos, 22230 Marforie Ave.; Robin Moffitt, son of the Robert Moffitts, 2724 Arlington Ave.; and Charlotte and Linda Flagg, daughters of the Ray Flagg, 1620 Hickory Ave. Small fry are a few of the many who will crowd the park at 11 o'clock this morning for an Easter egg hunt sponsored by the Ladies Auxiliary of the Torrance Fire Department. Kids to Scramble for Eggs At Torrance Park Today

Tots ranging from the crawling age up to the 10-year-mark will have their eyes on the grass this morning as they gather at Torrance Park for an Easter egg hunt sponsored by the Ladies Auxiliary of the Torrance Fire Department.

The small fry will start scrambling for the colored goodies at 11 o'clock, then will line up for prizes around noon. To even up the contest, the children will be divided into three age groups, with a prize given for the boy or girl in each who finds the most eggs.

Divisions will be for crawlers through three-year-olds; four through six-year-olds; and seven through 10-year-olds.

In addition to the prizes for sharp eyes and speed, each child will receive a basket of eggs, chocolate bunnies, and marshmallow chicks. Keen appetites sharpened by the hunt will be sated with a sandwich lunch, supplemented by coffee and pop provided by the Auxiliary.

Following the business session, a potluck luncheon will be served at 12:30 p.m. Members are asked to bring their own table service.

On the way: More power for YOUR future!

When your neighbor builds a fence or a patio for a barbecue—that's news. And it's news, too, when the Southern California Edison Company—everybody's neighbor in Southern and Central California—builds a new power plant. It's news because everybody in this fastest growing neighborhood of the country is using more and more electricity for convenience and comfort in their homes and for better efficiency and economy in business, industry, and farming.

Our new 265,000 kilowatt steam-electric generating station at Etiwanda in San Bernardino County was dedicated on Wednesday of this week to the service of all our neighbors. It is another part of our continuing construction program.
