

Burks Thank All For Support In Campaign

Hi everyone! Missed you last week and really I'm sorry but since an explanation is due here 'tis. We were just so busy campaigning and such that I had very little time for myself. If any of you gals feel real chipper and want to help put out a two to three weeks' wash for a family of five, I shall gladly welcome your help. Right now, I would like to express our thanks to the loyal supporters who helped in the council race and who voted for Frank. Our gratitude also goes to the residents of West Torrance who backed us so faithfully. Though we didn't win in the election we are still in there fighting for the children and a recreation center in our western area. Now to Easter and its wonderful meaning. The Baptist Church of the South Bay held its first services in the new building just east of Seaside School a week ago. Sunrise services were held at 7:30 a.m. on Easter morning with a capacity crowd. Seating capacity for the church is now 800, and happy we are to see that many in attendance. Hope everyone I know enjoyed a lovely Easter Sunday.

The mothers of the Heights worked feverishly for weeks before Easter, but they were proud and they should be of their handiwork, for more than one little girl looked on so pretty in her Easter finery. Seen taking their children for a ride on the merry-go-round in Redondo Beach were Mr. and Mrs. Richard Dodge and son Robble, and Mr. and Mrs. Richard Grierson and daughters, Rosemary, Carolyn, and Priscilla. Bet you had a great time. Seen visiting friends and relatives in the Heights area were Mr. and Mrs. Emmett Ryckman and daughter, Judy of Edwards, Calif. Visiting Mr. and Mrs. Floyd Holstin and family for the Easter Holiday was Mr. and Mrs. Ronald Benton and baby from San Diego. Ronnie and Marcelle have recently moved from Greeley, Colo. Sorry to hear that Mrs. Waddenham of Binkewald Rd. has recently undergone surgery at the Seaside Hospital. Here's "Best Wishes" for a speedy recovery. Buz and Marty White of Zakon spent the Easter vacation from school visiting in Catalina.

Fun for everyone attending the combination birthday-anniversary party in the home of Mr. and Mrs. F. W. Burk this past week. The 48th birthday for Howard Smith of Kettler Knolls and the third anniversary for Mr. and Mrs. Richard Dodge of the Heights. Having buffet dinner of tamales pie, potato salad, cottage cheese salad and coffee were Mrs. Vicki Sharp of Allied Gardens, Mrs. Irene Breedlove of Sepulveda Gardens, Howard and Hilda Smith of the Knolls, Dick and Fran Dodge, and Frank and Sue Burk of the Heights. Continuing the gay festivities with cake and coffee were Dick and Geri Grierson, Mrs. Betty Jo Mitchell, Frank and Alpha Renz, and George Hilpert of Manhattan. The home was gaily decorated with pink and white crepe paper streamers. The cake was shipped to open-book form with the birthday depicted on one side while the other held best wishes for

a Happy Anniversary. Trying out some old fashioned harmony were Alpha Renz, Fran Dodge, Geri Grierson, Vicki Sharp, Irene Breedlove and yours truly. The evening happily ended with horseshoe readings of the guest by Hilpert, a school teacher and astronomer.

Suffering the pangs of too much Easter candy and hard play was little David Clark, son of Mr. and Mrs. Jim Clark of Zakon.

Mr. and Mrs. Frank Renz and son Mike spent Easter Holiday with mom and dad, Mr. and Mrs. J. H. Parker of Keystone. Hope you didn't eat too much of that wonderful dinner Mom Parker prepared, kids. Know you enjoyed a marvelous day.

What's that? You haven't heard? Let me tell you the glad tidings. Born to "Puff" (Pet) of Mr. and Mrs. Bob Graham of Sepulveda Gardens on or around April 4, at home, quintuplets; four grey and one black, all long-hair. Anyone desiring a cute little kitten may have one for the asking at 4710 Sepulveda Blvd. or by calling FR. 5-5884.

Wait! Don't burn that paper. Hold onto it for just a couple more days and some of the

school children will pick it up for a paper drive. If you have papers please contact the Seaside School or Peg Parke, PTA president.

Mr. Rehswoldt reports from the school that primary elections for the student body will be held on Thursday morning for student body officers. Children are registering on Monday, Tuesday, and Wednesday. Those chosen in the primary election will be presented at the Friday morning assembly held in the Auditorium from 9 to 9:45 o'clock. Also, open house Thursday evening in terms of a Health Fair. Each classroom will have booths on health. We look forward to a huge turnout.

A little something from the April issue of the Reader's

Digest. "Kindness is one thing you can't give away. It always comes back."

See you next week, and please if you have any news give me a ring. I have had several people tell me about things three or four weeks after they have happened. Old news isn't news anymore, so lets get it while it's hot. Thanks a lot.

How can you offer such low rates and still give complete protection?

1715 CABRILLO AVE.

JACK SMITH JACK CONSHAFTER

That's a good question, and we have the answer. State Farm Mutual Automobile Insurance Company strives to insure only careful drivers. Careful drivers have fewer accidents. You pay the selling cost only once—that's the kind of insurance State Farm is famous for. So it costs State Farm less to do business, and because State Farm is a mutual company, the policyholders get the savings. If you don't have this low cost dependable car insurance, call FA 8-3802 or FA 8-3804 and let your State Farm agent show you how you can get complete protection—at low cost!
