

THE CRASH IN WALL STREET didn't mean a thing to him. He didn't see the idle factories and the hungry workers walking the street.

In 1941, like many other factories, his complete production was turned over for war materials. Today, this plant manufactures "Caterpillar" parts and these parts made right here in Torrance are shipped all over the United States and to Mexico, South America, India, Africa, Europe, etc.

TWO BUZZARDS were lazily winging over the Arizona Desert when a jet-propelled plane suddenly went hurtling by, its exhausts belching flame and smoke.

CONGRATULATIONS — To Schwartz Men's Store — their new show window is "just like uptown"; to Paul's Chevrolet for their new addition (business must be good); and to Al Curd, the new owner of the Western Village Beauty Shop at 1612 Carson Street.

IF YOUR WIFE IS "quick on the draw," beware of a joint bank account!

Report Due

Martha Cooper Services were held yesterday at Stone and Myers Chapel for Martha Cooper, 78, a resident of Torrance for 28 years, who died Monday at the home of her daughter, Mrs. Earl Kent, 2007 Gramercy Ave.

Mrs. Cooper was a member of the Royal Neighbors of America, an organization in which she held office for 20 years and was an active member of the First Christian Church.

Survivors include two other daughters, Elsie Smith, 1325 Englewood Ave., and Beulah Sanders, of Long Beach; two sons, Leon Cooper, 1414 Madrid Ave., and Alfred Cooper, Detroit, Mich.

Residents Answering Plea to Aid Family

Torrance area residents opened their hearts this week to a plea for help for a family whose resources have been spent in futile efforts to save the life of their young son, incurably stricken with cancer.

The pleas, reported Sunday by the Torrance Herald, have been taken up by the community to aid the family of "Chuckie" Smith, who at less than three years of age has been diagnosed as incurably stricken with cancer.

Members of the Waleria Methodist Church have collected about \$350, the Pacific Hills Homeowners about \$150, and other groups are joining in the drive.

A total of 8-900,200 tons of building material was used in the construction of the national capitol.

GETTING READY . . . Manager Jacob Weiss hangs up a sign proclaiming the new Affiliated Lumber Co. at 1849 Torrance Blvd., which is preparing for a grand opening next Thursday.
