Reflections

By J. HUGH SHERFEY, JR. PEANUTS AND MEN "He's a grouch," they said. I thought so too until I met him socially; he was charming personified. A man working on a lathe made several costly mistakes; he was to have been discharged. With a check ready his employer called him into his office. He came in, smiling wilyly, sat down and looked at his boss out of kindly eyes. Within a few minutes he had told his employer a story so full of love, pathos and drama that his employer tore up that check, arranged to have that father, and his critically ill son be placed under the best medical care available. Some claimed, "He's a pinch penny miser," or "Just plain booby." He is neither but the proud ideal of an orphan; he gives with a lavish hand to worthy youth no matter what their color or creed may be. This brings me to the conclusion that men are like peanuts — rough outside, round inside, they are smooth and round.
