

Southwest Chinchilla Group to Hear Furrier
 Samuel Fink, well-known Santa Monica furrier, will be the guest speaker at the regular monthly meeting of the Southwest Chinchilla group tomorrow at 8 p.m. at the Center School, 111th St. and Yukon Ave. in Lennox, according to Bob Vans, chairman of the group.

AUTOMOBILE PAINT
 About two pounds of paint are used on an automobile.

Rising Birth Rate Prompts HGH Addition
 Establishment of a new obstetrics ward and nursery at Harbor General Hospital was proposed this week by County Supervisor Burton W. Chace.

"The urgent need for these two new facilities is made very clear by recently completed reports showing a 20 per cent increase in the Harbor Area's birth rate," Chace declared.

Chace's recommendations were concurred in by Superintendent of Charities, William A. Barr, who has requested inclusion of the necessary funds for the new units in the Preliminary Budget for the 1954-55 fiscal year.

"We hope to have the new maternity ward and nursery in operation by next July 15," Chace said.

Visits to the hospital's clinic for X-ray and emergency services over the past year show an increase of 16 per cent over the previous 12 months, according to the Supervisor.

To meet these increased demands, the county proposes construction of a new 20,000 square foot clinic building during the 1955-56 fiscal year. "A happy note," Chace said, "is the declining tuberculosis factor in the Harbor Area."

HOME ACCIDENTS
 One-third of the accidents each year on American farms occur in the homes.
