Cub Scouts Enjoy Trip to Catalina

By TEO CUNNINGHAM DA 6-4678
The weather couldn't have been more perfect if it had been ordered that way last Saturday and it was ideal for the Cub Scouts of Pack 732-C to make their trip to Catalina Island. The sun shining and making the water sparkle like diamonds and the balmy air made the steamer trip most enjoyable. The flying fish were quite plentiful and it was almost as if it were a command performance the way they'd skim over the water. This was the trip for which the boys sold doughnuts not so long ago. The rays of the sun reflecting down through the water gave the undersea gardens viewed from the glass bottom boat the look of being artificially lighted and the gold and blue fish made a

truly beautiful sight. The boys also enjoyed the wonders of the bird farm.
As there are two dens of this pack meeting here in the Knolls, there were quite a few of our boys on the excursion as well as several parents. Den mothers Jo Devenish and Marly Luciani accompanied the Cubs as did parents Mr. and Mrs. Redman, Mrs. Charles Thompson, Mr. Paul Crossman, and Teo Cunningham, Mike Stittsworth, Joel Devenish, "Butch" Crossman, Joe Mike Scirria, Harry Luciani, Larry Helphand, Dan Cunningham, Jimmy Gore, and Matthew Phillips were just a few of the boys who enjoyed this day that was so filled with interesting things and fun well worth remembering.

As a sort of farewell party in her honor, Mrs. Minnie Olson,

Fred and Vivian Wise, and Bud and Chris Stittsworth recently went out to dinner at Rand's Chuck Wagon and then finished off the evening by attending the Roller Derby. Mrs. O. J. Vivian's mother, who has been spending the winter months with her daughter at 1728 W. 235th St., returned to her home in Detroit, Mich., by air last week-end.

Harry and Thelma Setzer of Walnut St. were guests at a surprise birthday party for their very close friend Helen Rogers in her home in Long Beach recently. Helen was taken completely by surprise when a group of friends of which Harry and Thelma were a part, dropped in laden down with everything needed for the party from the gifts for the honoree to the refreshments. Thelma reports that it was a most enjoyable evening.

Speaking of celebrations Emmett and Mary Wryrick of Falena St. noted their wedding anniversary the 16th of this month by going out to dinner at Francisco in Long Beach and then visiting the Pike. Mary's sister, Miss Elsie Forman of Lakewood, and her escort, John Yancey of Long Beach accompanied the Wryricks to make the occasion more festive.

The regular monthly get-together of the Canasta Club was held at the home of Jewel Holmes on Falena St. last week and just for a change the group played "Wahoo." As it is a little hard to score the game, Thelma Setzer, Shirley Eaton, Jo Devenish, Bernice Howland, Mary Wryrick, Vivian Wise and Teo Cunningham drew for the prizes with Vivian Wise drawing the lucky slip for the first prize and Teo Cunningham the slip for the consolation prize. The evening was finished off with the serving of strawberry shortcake and coffee and, of course, more "chit chat." Plans for the club's "night out" also were made for next month instead of their regular meeting.

The Rachel and Priscilla circles of the Methodist WSCS held a joint meeting last Tuesday evening at the Falena St. home of Barbara Kell. Millie Hines was the co-hostess for the evening. Highlight of the evening was the revealing of secret plans, which of course brought many surprises and thank yous. Millie Hines was elected the new chairman of the Rachel Circle and will be assisted by Barbara Kell. After a most enjoyable evening, the guests were served a very nice cake and coffee.

Sermon Text For Sunday Announced

"Be not overcome of evil, but overcome evil with good." This admonition of Paul to the Romans (12:21) is the Golden Text commencing the Lesson-Sermon at all Christian Science churches Sunday. The subject is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, De-nounced."

How man's trust in God preserves him from the attacks of evil is pointed out in a Bible selection from Psalms: "Deliver me, O Lord, from the evil man; . . . They have sharpened their tongues like a serpent; adders' poison is under their lips. . . . Let not an evil speaker be established in the earth. . . . Surely the righteous shall give thanks unto thy name: the upright shall dwell in thy presence!"

On this subject Mary Baker Eddy says in the Christian Science textbook, "Science and Health with Key to the Scriptures": "The necromancy of yesterday foreshadowed the mesmerism and hypnotism of tomorrow. Animal magnetism has no scientific foundation, for God governs all that is real, harmonious, and eternal, and His power is neither animal nor human." (pp. 322, 102)

WINE AGING
