A close friend and neighbor came in Monday evening with singed eyebrows and a very dirty face. Quite perturbed at his appearance, his wife inquired as to just what coal bin he had fallen into. Mr. Jack Mitchell of Zakon and an employee of the Missouri Refractories explained that his company had caught fire to the extent of some several thousand dollars damage. Do hope your burns were little ones, Jack.

A very successful meeting of the den mothers and committee men of the Boy Scouts of America was held on Wednesday evening last to discuss activities for the monthly program which is held at El Retiro Park the third Friday of each month. Also, more talk of getting a meeting hall of our own was brought into the open. Talk of trying to consolidate this whole area and let it be known as West Torrance, in this sense, all people could work together for the betterment of the Scout-

ling program. The leadership personnel of Pack 726 now stands as follows: Cubmaster, Dick Nauman; Assistant Cubmaster, Bill Shockey; Committee Chairman, Ted Galt; Treasurer, Bill Steinwachs; institutional representatives, George Honzik, Frank Burk, Earl Sacks and Sue Burk. The committee members have decided to have the den chiefs take over complete control of each of the monthly meetings held at El Retiro Park, with each den planning its own program under supervision of Cubmaster Dick Nauman. Compliments were handed our Scoutmaster, Floyd Holstin, for the wonderful job he has done on the Scout-O-Rama and also the effort and time put forth on the coming Third National Scout Jamboree which is to be held at Irvine Ranch, near Long Beach. Another big deal, also, our own President of the United States will be present at the jamboree.

This reporter has been informed that Adult Education classes are being held in the Hollywood Riviera School. Classes in landscaping and gardening start at 7:30 p.m. with Dan Spalding as instructor.

On June 17 a little neighbor boy, Richard Nix of Zakon Rd., was treated for dog bite. Seems a shame people don't think about

the children of a neighborhood, yet dogs (which are known to be sorta bad at biting other dogs and cats) cannot be chained up or put into a yard with high fencing. I've written on this subject before, for reasons given above. Please folks, check your dogs! How can you be sure that your dog won't cause the death of your neighbor's child? Has your dog had the rabies shots?

A white elephant party was held for the Scout Mothers in the home of Bonnie Evans on June 17. New officers were elected to the following posts: president, Mrs. Madge Graham; vice-president, Mrs. Mildred Neams; recording secretary, Mrs. Stitz; treasurer, Mrs. K. S. S. Burk. The mothers decided on certain camping equipment items to be bought with the proceeds from the recent cake sale. The bingo game was played and more than one mother was thrilled with her white elephant. The next meeting will be held in July.

The Junior High Girl Scout Troop took a pleasant little jaunt to Playa del Rey a couple of weeks ago for a wiener bake. Under the supervision of Norma Ledbetter and Joan Figliano the group reported a wonderful time.

At least nine kiddies and three ladies enjoyed themselves for a full day last week. They were Rose McClune and children, Marilyn Breaker and children, and Irene Brady and children, all of Doris Way. The group took a trip to the Griffith Park Zoo on June 16. A picnic lunch for the kiddies was spread under the trees. It seems the little trip was both interesting and enjoyable.

The Little League Giants played the Cardinals in a six inning game Sunday. The game was carried out in high style at the Little Shaver Stadium located at Crenshaw and 101 Hwy. The Giants team consisting of David Pace, Paul Moyer, Charles Thorn, Richard Nix, Jim Hawkins, Bill Cooper, Bernie Iwata, Mike Walker, Mike Scott, Allen Lampson, Roy Lenard, Teddy Ross, Ronnie Moore, Jonnie Mewborn, and George Morris were beaten in a score of 2-0. Would like to take this space to show our gratitude to those who have put forth their efforts in helping our boys to have something to do during summer vacation, and also to let everyone know that there is no admission price at these games which will be played each Sunday at the Little Shaver Stadium. Hot dogs, hamburgers, and cold drinks are sold, also.

Get-well wishes go to Mr. Jim Grey of Zakon Rd., who received an injured foot when his motor scooter cracked up. All we can say is: "You had better go back to riding the Harley-Davidson, Jim."

Glad to see that Mr. and Mrs. Walter Wilshire have their daughter Barbara, and their two grandchildren visiting from San Francisco this week. Barbara's husband is in Korea and hopes of his being home with his family soon is a wish in the minds and hearts of his wife and her parents. Happy stay here, Barbara, and may we hope along with you for Mickey's homecoming.

Welcome to a new family now residing at 8214 Zakon Rd. Mr. and Mrs. Albert Lacompte moved here from Massachusetts two weeks ago. We know you will find very good and fast friends in your neighbors, folks, so again welcome to our community.
