

Seasiders Extend Help to Neighbor

By SUE BURK

Joy was in the hearts of the Shanks family this week as the milk of human kindness flowed about them. Friends and neighbors of the Shanks took up a collection from their street to give to them. As you know, Mr. Shanks has been very ill and in the hospital for a long time. So Macafee Rd turned out the most inspiring of all get-well wishes; to me and I know to others who feel as I do. Mr. and Mrs. Shanks will long remember the wonderful people who added to this get-well guesing. May I add—get well soon Mr. Shanks; we would all love to see you up and around again.

A Birthday party for Jerry Maloux of Macafee Rd. was Saturday, June 20. In the home of her parents. Guests attending were: Sammy Dale Ursin, Pat and Mike Huffman, Gretta and Clarence Snyder, Al and Craig Herbst, and Gene, Greg, and Stephen Knoll. Jerry, who is now 8 years old, received many wonderful gifts, but the biggest and best of all was given by her mother and father. Mr. and Mrs. Maloux presented her with a plane ticket which Jerry will use to visit her grandmother in Connecticut. She left for her vacation on June 28. Would like to say "happy birthday, Jerry, and thanks to two wonderful parents who made a little girl's dream of an airplane flight come true."

Entertaining relatives from San Francisco are Mr. and Mrs. Leo Rock of 5209 Vanderhill Road. Visitors are Mr. and Mrs. Roland Girouard and children, Roland Jr., Patricia and Maureen. The Girouards plan a stay of one week. Do hope you enjoy your stay here folks, and hope you'll return soon for another visit.

A Beauty Counselor party was given in the home of Mr. and Mrs. F. W. Burk of Zakon Rd. Tuesday, June 23. Guests invited were Misses Myrtis Nix, Merle Blstin, Betty Mitchell, Roland White, and Alpha Renz, with the wonderful help of Mrs.

Lenny McKinney (the Beauty Counselor representative) Mrs. Burk planned a lovely party with games and free gifts of cosmetics to each of the girls. Refreshments consisting of cake, cookies and coffee were served. Winner of the Random prize was Mrs. Alpha Renz, who received a red and white plastic salt and pepper set which surprisingly enough just matched the color combination of her kitchen. Booby prize of a can of green peas went to Mrs. Myrtis Nix. Guests went home much heavier for the many sweets they had eaten, but wonderfully happy at having had such a lovely time.

Mrs. Roland White started off Wednesday morning with good ideas and so an invitation went out to each neighbor for a mid-morning snack of coffee cake and coffee. The luscious cake, with gobs of jelly and oodles of chopped nuts to top it off, was baked by Mrs. White. Guests were Myrtis Nix, Alpha Renz, Jeri Grierson, Betty Mitchell and yours truly. We all enjoyed ourselves immensely, but our husbands didn't think so much about the whole deal. When you ask, well, for plain facts, we girls shouldn't have gone from our homes over an hour. We wound up coming home about 1 o'clock in the afternoon, so naturally none of the housework was done that morning. Anyway, who can blame us, the cake and coffee were so good and the conversation so entertaining that we just couldn't make ourselves go home. Thanks to a perfect hostess.

The newly-installed president of the Scout Mothers Club, Mrs. Madge Graham, has informed us that the next monthly meeting will be held in the home of Mrs. Small of 428 Calle Mayor, Hollywood Riviera, on July 15. The club meets the third Wednesday of each month.

Happy as newlyweds today were Mr. and Mrs. Richard Grierson of Zakon Rd. Dick and Jeri celebrated their seventh wedding anniversary Saturday, June 27, with the evening out. Mr. and Mrs. Grierson have three cute little daughters: Rosemary, Carolyn, and Friscilla. Happy anniversary to two very nice people.

Always one to enjoy a good laugh, I thought I might share this one with you. From the magazine "Everybody's Digest," August issue, I quote: "Legally the husband is the head of the house and the pedestrian has the right of way. Both are fairly safe unless they try to exercise their rights."—Unquote. See you next week.

COIN MAKING PEAK
United States coin production reached an all-time record high in 1945 when approximately 2,589,000,000 individual pieces were minted.
