Harvey Rushfeldt Jr., son of the Harvey Rushfeldts, 1630 Acacia Ave., who wed Miss Sylvia Martines only two weeks ago, will leave his pretty young bride next Tuesday, Aug. 18, bound for battle-scarred Korea.

The Army private, presently residing with his bride at the home of her parents, Mr. and Mrs. James Martinez, 2619 Border Ave., will embark for the Oriental land from Camp Stoneham. His wife will continue to make her home with her parents until his return.

Chapel ceremonies at Camp Roberts united the couple, both graduates of Torrance High School, at 7 a.m. Aug. 1, just after the groom completed training at the base. Father W. L. Elias officiated.

Miss Martinez selected an imported Chantilly lace, ankle-length gown with an all-over design of seed pearls and sequins for her wedding costume. Her shoulder-length veil was held in place by a sweet-hair crown of orange blossoms, and she carried a single white orchid surrounded by carnations and stephanotis.

Attending as maid of honor was the bride's sister, Miss Betty Martinez, who chose a pink eyelet frock with white accessories and a gardenia and stephanotis corsage. Private Mike Stallino served as best man.

A wedding breakfast at Paso Robles Inn followed the ceremony. Among Torrance guests attending were the groom's mother, the bride's parents, Miss Mary Herman, and Messrs. Thomas Johnson, Morris Payne, and Larry Roy.

The groom's aunts, Nina and Agnes Rushfeldt, who have been visiting here from their home in Illinois, also attended.

## Seaside PTA Repairs Books For Library

Students using Seaside School's library will find its books in good repair come September when the school bell rings once again, according to Mrs. Charles G. Nollenberger, publicity chairman.

Mrs. William J. Hadley, PTA library chairman, gathered a small group together last week to repair and check all library books. Work session was held at the home of Mrs. Robert G. Parke, president. Giving the two busy women a helping hand were Mesdames John White, Harry McFadden, and Lorne Bristol.

Torrance Library will work in conjunction with the school library during the year by loaning new books for the use of the students, Mrs. Nollenberger said.

PTA funds will be used to purchase a few new books, although the library depends a great deal on donations of children's books by individuals, she continued. Anyone wishing to donate books may contact Mrs. Hadley at FRontier 5-6410 after Sept. 1.

## Tips Reveal Right Way To Send Flowers

Who doesn't like to receive or give flowers? In their natural loveliness they move fully of press love, sympathy, congratulations or other sentiment than words or gifts.

However, there is a right way to send flowers, just as there is a proper etiquette in other forms of social decor. There are just a few simple, logical rules to follow, according to the Florists Information Council.

If the flowers are to go to someone in a hospital, order arranged flowers or a plant rather than a box of flowers because busy nurses have little time for arranging them. Don't select too fragrant flowers or vivid colors for one who is extremely ill. Include an extra flower for the nurse.

The traditional American custom of sending flowers to assuage grief and lend beauty to a somber occasion needs but a few gracious touches of consideration and tact.

Remember, flowers are sent as a tribute and a true expression of sympathy. In sending flowers to the funeral, address them to the funeral of the individual known to you; otherwise to the nearest relative you know.

John Rigby, new Scoutmaster for Boy Scout Troop 761 of North Torrance, performed his first official act last Thursday when he presented second class awards to Leo Van Valkenburg, Stephen Sandburg, and John Bowman at Court of Honor ceremonies at McMaster Hall.

Rigby presented the awards following his introduction by John Simon, senior patrol leader. Ceremonies were opened by presentation of colors and pledge of allegiance led by Roger Snell.

Snell, an Explorer Scout, later received merit badges for swimming, first aid, machinery, and citizenship on the hands of Reese Holbrook, explorer advisor. As he received each badge, Roger explained in detail the requirements to earn the award.

The Explorer Scout also was in the entertainment spotlight during the evening, presenting an accordion solo.

First-class awards and merit badges were presented by Scoutmaster Rigby to Scoutmaster Clark Sandburg and Dick Hedgecock, the latter also receiving a merit badge for carpentry, were awarded first-class certificates.

First aid and cooking badges went to Gene Caton and Winnie Caton; Joe Hedgecock and John Simon were cited for first aid swimming; and Donald Alford and James Snell received first-aid badges.

Aims and purposes behind the camp-out and other activities of the Scouts were told by Kenneth Leatherman, neighborhood chairman. He stressed need for encouragement and interest of parents as well as Scout leaders in order that each boy may receive the most from the program.

## Milady Takes on 'Umbrella Look' as 'Poodle Cut' Dies

As versatile and appealing as modern umbrellas carried by chic women, the exciting new "umbrella cut" is perfect for light-hearted summer and early fall days.

Suggested by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association for both the younger generation and more sophisticated matrons, the style has dash, simplicity, and attractiveness which make it adaptable for either sports or social events.

The "umbrella cut" has many possibilities for different coiffures. One feature style has a bang effect and soft, wispy curls from the side of the face to the back of the head, or a swirled upturned umbrella effect circling from the partless crown of the head.

Another style is a slight part down from the crown of the head and soft, counter-clockwise curls from the nape of the neck.

Soft curls and waves near the face give face-framing loveliness and make an enchanting foundation for floral creations, perky small hats, and intriguing hair ornaments. Another feature is that this short hair style is casual enough for golf, archery, sailing, a day at the races, and just for relaxing at the beach.

Although a casual style, the coiffure needs a swirled upturned umbrella effect to keep it looking beautiful and to give it body. To make it more flattering, ask your hairdresser to accent the highlights and color of your hair.

Although feminine and glamorous, the coiffure is short and simple enough to require a minimum of time and care. Its blending of elegance and simplicity make it the perfect answer to milady's problem of choosing a hair style for summer and early fall months.

Guests hearing the address and joining with members in the question and answer period which followed were Bernice Borst and Gene Lawler.

Sgt. Cook, who was introduced by Mary Sperry, stressed the prevalence of narcotics in society and their danger to health and morals in both his lecture and answers to questions.

Opened traditionally with President Winona Ellis leading the pledge of allegiance to the flag, the meeting was closed with members reciting in unison the Soroptimist pledge.
