

PORTABLE MIXER

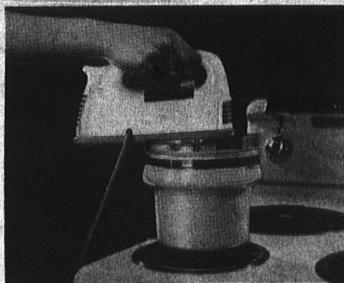

The Portable Mixer That Really Mixes

- ✓ Weighs Less Than 3 Pounds!
- ✓ Amazingly Handy!
- ✓ Truly Portable!
- ✓ Power to Spare!
- ✓ Fingertip 2-Speed Control!

Here's the portable mixer that really mixes. Amazingly handy, truly portable, and with power to spare, there's never been a value like it. This G-E beauty weighs less than 3 pounds yet it's powerful enough for even those tough mixing jobs. Its fingertip 2-speed control lets you adjust the power. And at high speed it doubles as a drink blender, with one beater removed.

Never a Value Like it!

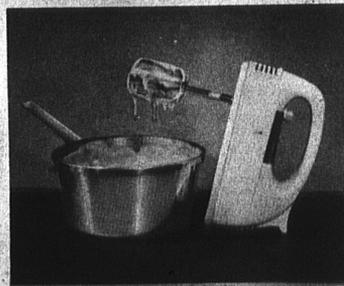

LIGHT AND PORTABLE

Which means you can take this mixer to the food instead of having to carry the food to it. Packed with power yet it weighs less than 3 pounds.

HANDY KEYHOLE SLOT

For hanging it on your kitchen wall—always within easy reach. Handsome design decorates your kitchen, too. Rubber base-guard keeps walls from getting scratched or marred.

STURDY HEEL REST

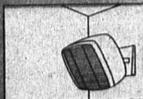

Unlike most portable mixers, this G-E is easy to set down, thanks to its wonderful heel rest. Drippings fall back into the bowl—not onto your work counter.
