ADMIRE HANDIWORK . . . Scout Booster Tom Ward "takes ten" and checks the sign he had just mounted on the Ford Mainliner which will be given away by Scouts this summer as part of their fund-raising drive for a new Boy Scout Center here.

Trust in God Church Topic

"The eternal God is thy refuge, and underneath are the everlasting arms." These words from Deuteronomy (33:27) will be the Golden Text in Today's Lesson-Sermon in all Churches of Christ, Scientists.

"God the Preserver of Man" is the subject of the Lesson-Sermon which points out that spiritual understanding, enabling man to differentiate between the true and false, is God-bestowed.

From the Bible the following verses will be read:

"Because thou hast made the Lord, which is my refuge, even the most High, thy habitation; There shall no evil befall thee, neither shall any plague come nigh thy dwelling" (Ps. 91:9-10).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following:

"All things work together for good to them that love God." is the dictum of Scripture. . . . Stop by step will those who trust Him find that "God is our refuge and strength, a very present help in trouble" (p. 442).

GOODBYE, MY FANCY . . . A love affair involves a college president, Dr. Merrill, left, played by Joe White, Hermosa Beach, and Congresswoman Agatha Reed, portrayed by Mona Scheyer, San Pedro; and shocked college colleagues played by Doug and Jo McClay, Torrance, in one of the scenes from "Goodbye My Fancy" to be presented by the Harbor Junior College play production class on the college campus June 10, 11, 12. Performance is directed by Dan Desmond, former Torrance drama instructor.

Crenshaw Job Approved By Supervisors

Final plans for the improvement of Crenshaw Blvd. from Palms Verdes Drive North to the Torrance city limits have been approved by County Supervisor Burton W. Chace.

At the same time, the Board of Supervisors called for bids on the improvement which also anticipates resurfacing of approximately one mile of the three-lane roadway.

Huck Finns Miss Fish at Alondra

By ADALINE CORTEZ

Well, it's summer vacation again! Teachers have been lunched and partied so that it will take them half their vacation to recuperate; PTAs have held their last events, and the parks have launched their summer programs!

Relax! But keep in mind the 3 W's, namely: Where are my children? Whom are my children with? What are my children doing?

I saw several hopeful Huck Finns eagerly rushing to Alondra Park Saturday morning, then trudging slowly back home at noon—not an Isaak Walton in the bunch it seemed!

The long faces belonged to Wayne Farris, Jan Osnes, Michael Towell and Eric and Duke Cortez.

Carr Elementary PTA's Pink Tea was a happy success. The sun-bathed patio of the Allison home was an ideal setting for gay chatter of the summer frocked ladies attending.

The decorating committee included: Pat Stamm, Ruth Snell, Ruth Towell, Connie Gastelum, R. Lichtwells, and Genevieve MacDonald.

Just to prove teacher isn't always "on the ball," Mrs. Marchante, first grade teacher at Carr Elementary captured booby prize honors in a game played at the party given her by room representatives. Also invited were the room mothers.

The group presented Mrs. Marchante with lingerie, perfume, and two lovely brass plates.

Hostess was Mrs. Helen Isaacson, who was assisted by Mes-

dames Straubel, Styles, Hodges and Allison.

Present were Mmes. Beadon, DeCamp, Obershon, Hughes, Taylor, Filbrick, Goodus and Noel.

Cub Scout Pack 953-C has undertaken to sponsor a program to make it possible for every child at Perry Elementary to have identification tags.

Order forms are available at the school or you may contact Mrs. Harry Watkins, 4018 W. 174th St., ways and means chairman of the Pack committee, FR 9-3139; or just send 50 cents, the child's name, address and telephone number to her.

Civil defense authorities are urging that all school children have those tags.

Cubmaster Johnny Miller was sorely missed when the Cubs of Pack 761-C trekked to the

Scout Circus in the Coliseum to take part in the Willie the Worm act.

At the last minute his daughter, Kay, broke her arm in a jungle gym at the park and Cassius Sewell, Hamilton Black and Hernan Cortez had to pinch hit.

Den Mothers Marge Cunerty, H. G. Taylor, B. Smith, C. Sewell, Lois Saunders traveled to the circus with the Cubs in a chartered bus.

They can describe in detail the routes to the men's room and the hot dog stand but they know nothing of the circus.

For some of us eager beavers, vacation is over! So it is for the Reese Holbrooks, 17512 Cerrise Ave., who just returned from a vacation in Kernville.

Del and Juanita Alford, Myrtle

and Dave Dyer, and Ann and Ed Collins were in a dizzy whirl of square dancing on Santa Catalina Island when 2500 dancers gathered for the Annual Associated Square Dancers' Jamboree. They square danced from 8 to 12 Saturday, from 1 to 7 Sunday and even on the boat home.

The Harry Yorks, 2635 W. 175th St., with Randy and Suzanne spent three days at Mrs. York's brother's cottage in Idyllwild getting in practice for their trip to the High Sierra this summer.

They enjoyed two trout dinners and it was a real thrill for Randy on his first camping trip.

The Busy Bluebird Group tried their hand at miniature golf while Leader Marge Bertrand and Mrs. Wiener went along as chaperones.

LEFT HAND RATIO
Left-handed persons are estimated to constitute from 5 to 8 per cent of the U.S. total population.
