Action is still hot at the horse-shoe kelp for log barracuda, and yellowtail in numbers have been taken at Catalina by most of the boats venturing, besides barries and bass. Even San Diego anglers picked up after a slow two weeks with hundreds of nice sized yellows checked in.

Several local fishermen, including Von Bergen, Bob Clink, El Bradford, Jim Hatch, Art Artese, George Harg, W. Horton, W. B. Losk and Bill Meissner were guests of the Perry Kilsby Steel Tubing Co. of Los Angeles last weekend in San Diego on a fishing spree. About 260 fellows from Los Angeles and surrounding areas made the trip, spending Saturday fishing for yellows and what have you. Lots of yellows, bass and bonita were taken by the group, with the spinning rig put up by the company for the largest fish won by Jim Javens of Los Angeles for his yellowtail going 19 lbs. 8 oz.

Fellow Lands Yellows

Also down south last Sunday was Nick Chaykowski who horsed in eight yellows, topping 23 lbs. 11 oz., which qualified him in the San Diego Yellowtail Derby.

On the Patsy Lee, skippered by Ernie Strong, Roy and Shirley Smith, John and Peggy Geddes and Bill and Mary Ward had a field day last Sunday, bouncing aboard their limits of bass and 15 log barries.

What do you know? After all the boat rides Al Coast has been on he finally decided to do a little angling, coming up with two yellowtail going 22½ lbs. and 19 lbs. taken at the island last Thursday. Still can't get over it! The old boy landed a fish!

Working the horseshoe last Sunday on the Happy Jack, skippered by Carl Hanni (who suffers from food poisoning, ha!) were Harry Seagan, Joe Fanning, Jeff Cox, Dale Wolfred, H. A. Harvey and Glenn Duncan. They reeled in 22 jack mackerel, plus seven log barracuda topping 10 lbs. 12 oz. taken by Harry.

Stingers Acting Up

Stingers in Newport Bay are real giving anglers a bad time! Sunday night Jack Blevins boated four leopard sharks and a diamond sting ray sinking them at 77 lbs., besides hooking up with two more monsters that

broke his outfit. Gets expensive! lbs. 8 ozs. His log, by the way, Out of Joe Martin's 22nd St. landing in Long Beach Monday Ray Hawkes and Bill Carpenter went over to Red Bluff at Catalina. Ray brought to graft a lunker yellow going 25 lbs., besides horsing in three barries all over eight lbs., the largest going nine puts him in the lead for this week for the \$5 purchase order from the Torrance Cycle and Sport Shop. Remember, any deep sea enthusiast may register their barracuda and be eligible.

Fishing Derby Set

The Gardena Rod and Gun has invited the Torrance, National and Redondo clubs (providing each angler pays 50 cents) to compete in a fishing derby at Paradise Cove June 27. Fishing time will be from 5 a.m. to 1 p.m., with \$75 worth of prizes going for the top catches, probably halibut. All should enjoy themselves, but we've never heard of being invited and having to pay. Must be something new the Gardena club thought up!

Normont Ball Loop Signups End Tomorrow

Tomorrow is the deadline to sign up for summer baseball leagues at Normont Terrace Playground, 101 Hwy. and Vermont Ave. It was announced recently.

A midjet league will be formed at the playground and will consist of seven or eight teams. Lots of boys are needed to fill out the rosters, playground directors said.

Shirts and caps will be supplied for the teams and a party will be held at the end of the season for all players. An umpires' school for boys ages 14 to 18 also will be formed, it was reported.

Signups can be made at the Normont Terrace Bldg., but the deadline is tomorrow, spokesmen warned. Mothers and fathers who would like to help run the league have been invited to sign up also.

Two Teams in Struggle for Fourth Place

Even while an awesome battle was taking place between two teams for first place the same grim struggle was being waged of the Service Club slo-pitch league.

The American Legion and Lions Club remained in a tie for first place, while Tuesday evening at Torrance Park, the WALTERIA BMA and Junior Chamber of Commerce knocked off their respective opponents to go into

to score five runs in the sixth inning, adding insurance to the four they had already plated.

The Junior Chamber pulled a hairbreadth last inning comeback to tally three runs and overcome a 4-3 deficit. The rally gave them the Hollywood Riviera Sportsmen 6-4.
