

Atomic Force Sermon Text For Sunday

That man and the universe evolved from God must reflect His power and harmonious activity will be brought out at Christian Science services Sunday. The subject will be the question, "Is the Universe, Including Luke's Gospel records that when Jesus entered a village, there met him ten men that were lepers, which stood afar off: And they lifted up their voices, and said, Jesus, Master, have mercy on us, and when he saw them, he said unto them, Go show yourselves unto the priests. And it came to pass, that, as they went, they were cleansed." (17:12-14).

Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "When the mechanism of the human mind gives place to the divine Mind, selfishness and sin, disease and death, will lose their foothold. . . . Mortal mind is the worst foe of the body, while divine Mind is its best friend." (p. 176).

The Golden Text from Psalms reads: "God hath spoken once; twice have I heard this, that power belongeth unto God" (62:1, D).

Last Blasts Sounded On Noon Sirens

Los Angeles' 307 air raid warning sirens sounded their last daily noontime test on Monday, according to a decision of the City's Civil Defense and Disaster Board.

From last Monday on, the sirens will be tested once each month in conformity with the state authorized monthly tests on the last Monday of each month at 10 a.m. through October 25. In Los Angeles, however, only the White alert, or all-clear signal will be used.

"It had gotten to the point where the daily tests, a ten-second blast, had no civil defense significance," a board member stated. "People just checked their watches by the siren signals. Many communications have been received pointing out that if a real alert were to sound at noon, our citizens would still be concerned only with setting their timepieces."

So, beginning June 15, the sirens will not sound at noon each day.

Two to Receive Degrees at UCSB

Among the 330 students receiving bachelor of arts degrees next Saturday from the Santa Barbara College of the University of California will be two Torrance students.

Ruth A. Malone, of 1006 Sartori, will receive her degree in education while Mark G. "Jerry" Melvaire, of the CCMO lease, will receive his degree in physical education.

Iowa Picnic Set

The 34th Annual Picnic of the Decatur County Iowa Association will be held Sunday, June 27, at MacArthur Park in Los Angeles.
