WINS HIS WINGS . . . Second Lt. George A. Whiting, son of Mr. and Mrs. Sanford A. Whiting, of 1719 Arlington Ave., won the silver wings of an Air Force pilot at graduation exercises held last week at Vance Air Force Base, at Enid, Okla. He graduated from the University of California in 1953.

Youth Rushed to Hospital After Stepping on Needle in Bare Feet

By SUE BURK
FR 5-1519

Our best wishes this week go to little David Clark, son of Mr. and Mrs. James Clark, of Zakon Rd., who suffered terrific pain a few days ago when he stepped upon and drove a needle through his bare foot. It was lucky for David the needle did not break off in the bone and was quickly extracted by nurses at the new emergency hospital across on Hwy. 101.

Nice to see Mr. and Mrs. Floyd Holstin and family visiting around the Heights, Rancho, and Sepulveda Gardens this last weekend. Gee, Marie looks great, doesn't she kids? And Floyd proudly states he has gained six pounds since moving to Lancaster. Hope we see more of the Holstin family real soon.

Received word from the Richard Dodge family the other day. They were lucky enough to find a house to buy in Fairfield, Calif. They moved to-morrow recently when Dick was transferred to another air base.

Happy birthday to Karen Lou Colby, of 4913 Louise Ave., who recently celebrated her ninth birthday. On Monday, Aug. 30, those present to help Karen eat her cake and ice cream were Myra Ganatta, James Ganatta and brother, William Charles "Bill" Colby. Gifts included roller skates, two paint sets, a new party dress with socks to match, and bubble bath. A happy birthday from us to a cute little girl.

We hear that the new Meadow Park School is really getting some fine touches with the paint brushes these past weeks. The dilapidated-a cowboy picture. You know, the shoot 'em up, drag

along with other Torrance schools. This one is hoping to take the overflow from Seaside Elementary School.

Yes, it will happen!!! What? The Halloween Carnival for Seaside School will take place on Oct. 16. The Parent-Teachers Association Board has been working like eager beavers all through the summer months planning the blueprints for the coming event. Mapped out are a lot of new extras for your entertainment this carnival season. Be prepared by saving all your extra nickels and pennies for a real load of fun. Start planning what you will wear as your Halloween garb.

Mothers, would you like to enjoy special trips with the elementary grades this school year? If so, you may be a room mother by dialing FR. 5-3234 and asking Jean Walker all the information you wish.

Mr. and Mrs. Jim McCune, of Doris Way, have recently returned from a trip to Big Bear. Rose tells me she was very disappointed, as it rained the whole time they were there. They just sat in the car and watched it rain. Also, spent some time with Jim's sister and hubby, Mr. and Mrs. A. E. Cash of Chino, Calif. Rose did bring back a jug of some of the prettiest peaches you ever looked at. The trip was a little too much for the kids, though, as they have been bitten with the old flu bug.

Several neighborhood kids were happy this Sunday, and with good reason, too, for Mr. and Mrs. Steele, of Macafee Rd., took them to one of the nearby theatres to see a real thriller—brushes these past weeks. The dilapidated-a cowboy picture. You know, the shoot 'em up, drag

em out kind. We near the kids really enjoyed themselves. Thanks for being so nice, Mr. and Mrs. Steele.

Mr. and Mrs. Pat Brady and children, of Doris Way, spent the week-end with Tony Brady of Long Beach. Irene tells me they also saw the motor races while they were there. And guess what? They ran into a couple of old time residents from the Heights, Remember Al and Rosemary Shriener? They are now living in Long Beach and said to tell all their old friends up here "hello" for them. Joan Shriener, now eight years old, hasn't forgotten her little friends here, either, for she sent a big hello to everyone.

Another family of the Seaside area is moving away. The Stewart family of Avenue C are on their way to Palmdale and will probably be settled in their new home at the time you are reading this copy. Good luck to the Stewarts. We hate to see nice families move away.

Anyone like puppies? Sure you do, and there are some real cuties at the home of Mr. and Mrs. Bob Graham. They are pure bred Collie pups about a week old. Call FR. 5-5684 for more information regarding same.

Company for Mr. and Mrs. Jack Mitchell and family, of Zakon Rd., the other night were Tommy and Mary Mitchell and sons. How late was it when you stopped playing cards, kids?

We have good news from the school grapevine, although school isn't even in session. I just couldn't wait to tell you. There will be square dancing every Saturday night with grown-ups and teenagers alike invited. Won't this be fun? Tell your more about it as we get more

settled in the routine of school time ahead.

Mrs. Frank W. Burk and children, Clifford, Donna and William Earl spent part of the Labor Day holiday with Mrs. Burk's father and mother-in-law, Mr. and Mrs. R. C. Burk Sr., at their home on 18th St. in Santa Monica.

Visiting in the home of Mr. and Mrs. Richard "Dick" Grier-son, of Zakon Rd., over the Labor Day week-end are Mrs. Don McCready and children, Steven and Diane, Geri and Hazel have been busily making school clothes for the children. Some of the things look very nice, too.

That's all for now, so see you next week. Remember, if you have news please call me. I'm most always at home.
