Jack Hudson of 2842 Onrado St., best-selling author who will teach at Torrance High School next term, will make his first appearance on a Southern California stage when the Santa Monica Theater Guild presents "Country Girl" at the Morgan Theater in Santa Monica. A host of Torrance relatives and friends will watch his performance tonight at a special guest showing of the Clifford Odets play. The young actor will take the role of Bernie Dodd, the "third man" in the triangle plot of the drama. Among locals attending will be his sister and brother-in-law, Mr. and Mrs. W. C. ## Reincarnation Topic Tonight

"Is Reincarnation Fact or Fallacy?" That's the question Dr. Earl D. Barnum will attempt to answer when he addresses the Aquarians at their 8 o'clock meeting tonight at the Neptunian Club, 920 Highland Ave., Manhattan Beach. Dr. Barnum is director of the First Year College in Science of Mind and a researcher in philosophy. In his talk he will stress that if reincarnation is true, the heart and mind are freed from fear and uncertainty and we can face life with confidence and serenity. The public is invited to attend, and there is no admission charge.
