**Teamwork Spells
Market Success
For Jim Dandy**

"Teamwork is the first essential in the building of a business and making it successful. Every employee is a member of the team."

And that is exactly what they have at the Jim Dandy Stores—a winning team. Every employee is in there pitching, and each is an important member of the team.

Bill Dyer, vice president and general manager says: "I challenge anyone to show me a harder working, happier or more loyal group of people."

STORES STAY OPEN
Modern-day living doesn't always leave family members with enough time to perform all the necessary chores, such as shopping, during daylight hours or during the week.

Recognizing that fact, Jim Dandy stores have inaugurated a policy of evening and Sunday shopping hours for the convenience of patrons.

With low Jim Dandy prices prevailing at all times for the quality items offered for sale, Jim Dandy stores, including the new market at 2510 Pacific Coast Highway, Hermosa Beach, remain open each night, including Sundays, until 10 p.m.

Shopping time thus added gives working wives and others who cannot get their purchasing completed during daylight hours or during the week a chance to shop to their heart's content without rushing or becoming entangled in last-minute crowds.

This policy also affords extra employment opportunities for more people.

Approximately 10 per cent of the floor space in the Jim Dandy Hermosa Market, opening Thursday, will be devoted to the sale of non-food items.

Over 5000 items, all priced at Jim Dandy's low levels and carefully selected for highest quality, will be featured at the new Jim Dandy Hermosa Market.

It all adds up to another excellent reason for visiting the new Jim Dandy Market at 2510 Pacific Coast Highway.

SPEE-DEE CHECKSTANDS—Such as those pictured above will speed customer service and reduce waiting to a minimum at the new Jim Dandy Market, 2510 Pacific Coast Highway, Hermosa Beach. Fully automatic, these

checkstands drastically reduce the time it takes to check and pack items which the patron has chosen. Eight of the checkstands will be in operation with a clerk and box boy on duty at each.

Frosted grapes look pretty on summer fruit bowls. Let them glisten against plums, peaches, pears. To frost the grapes, dip small bunches into slightly beaten egg white. Drain off the excess egg white, then dip in sugar. Place on waxed paper to dry.
