Cub Mothers Learn Something, Despite Missing Movie Showing

By ADALINE CORTEZ Davis 4-6876

The Cub Mothers Club, chairing Cub Scouts from Pack 761-C attending the Beverly Hills showing of "Twenty Thousand Leagues Under the Sea" may not have seen too much of the picture, but they can tell you how much popcorn and different varieties of candy those boys eat.

Half of North Torrance welcomed the new year quietly at family dinners, movies or watching TV with a few friends, the other half attended gay, gala parties in the accepted New Year's Eve manner.

The Howard Allens, of 3774 W. 171st St., transformed their living room into a ballroom festooned with balloons, streamers, serpentine and appropriate sketches on the mirrors by the host.

A ham buffet was served to the Tony Lwahaorgs, Hang Rogers, Mel Wilders, Bob DoYLES, Stu Avers, Ken Basses, John Mulvihills, and the William Sales.

Roz and Bernard Seltzer, of 2726 W. 174th St., and Sherry and Nate Kamln attended a party of their social group, The Young Adults, in Redondo Beach.

The party was held in a suite of four rooms, all gaily decorated. At midnight a cascade of balloons showered the guests.

Cofnie and Ralph Gastelum, of 17509 Ermanita Ave., and Ruth and Peter Bruce, of 2728 W. 174th St., attended a New Year's Eve party at the VFW Hall in Gardena.

They ended the evening with a few hours breakfast at Ralph's sister's, the Frank Romos. Arriving from a holiday trip to Oklahoma only hours before their scheduled New Year's Eve party were the Jim Blankenships, of 17003 Ardath Ave. This is the second year they

have entertained their neighbors on this night, and the snows in Oklahoma almost killed that tradition in-the-making, when travel became impossible.

A few of those present were the Larry Dorseys, Les Broitenfolts, Bud Ledmans, and Fred Yeagers.

Helen and Bill French, of 17516 Glenburn Ave., attended five pre-dance cocktail parties which led them to the Oakmont Country Club's New Year's Eve dance in Glendale.

Next day they were wet and very sad SC rooters at the Rose Bowl.

Frank and Cora Dawes, of 18814 Cranbrook Ave., decked their house in confetti, balloons, equipped their guests with gay hats and noisemakers and ended up with a wonderful party.

Thirty people, including the Roland Stamps, were present.

The Bill McCauslands, of 2422 W. 164th St., spent the weekend in San Bernardino. They attended a square dance in Riverside with friends.

Joe and Bob Livingstone, of 4234 W. 176th St., celebrated New Year's Eve with guests Sue and Jack Cannon, Claire Delphench, Claire and Tony Anthony, and Mary and Art Squillac.

Eleanor and Bob Haley, of 4234 W. 176th St., held a New Year's Eve party, which was also their farewell-to-neighbors

and friends in North Torrance. They are moving to La Habra.

The Steve Brodzinski, of 4138 W. 176th St., and the Fred O'Leary, of 4222 W. 176th St., with their families attended the Tournament of Roses parade in Pasadena New Year's Day.

Janis and Clint Beeson, of 3437 W. 175th St., arrived from their Christmas holiday in Phoenix Thursday, and on Friday friends from Chicago arrived to spend New Year's with them.

They attended the Tournament of Roses parade and little Cheryl had her picture taken by news photographers.

Pat Stamm, president of the Juniors, of the Civics and Philanthropy Club of Los Angeles, has asked us to appeal to you readers for old clothes and toys which her organization personally takes to the Spadra Mental Hospital for Children.

During Christmas this hospital was not sponsored by any group other than this one, and had it not been for this group, it would have had no Christmas. Call DA 9-2093 for pickup.

Claire Delphench and son Johnny, of 4234 W. 176th St., spent the Christmas holidays in Berkeley.

The Lawrence Pultzes, of 4135 W. 176th St., have moved to Rolling Hills.

New low Buick Prices in California!

Now you can buy this 1955 Buick SPECIAL for less than you used to pay for one of the "low-price three!"

HAVE you taken note of how the change in automobile freight charges has upped your purchasing power? Do you know that for less than you had to pay for one of the so-called "low-price three" last year, you now can buy a new Buick like the one shown here? The fact is—a new pricing structure of reduced freight charges to the Pacific Coast area puts this big and brawny 1955 Buick SPECIAL 2-door, 6-passenger Sedan into a new low-budget bracket.

This new low Buick price buys you a lot more automobile than ever before—more fresh bold styling, more power and performance, more interior luxury, more mileage and safety in those tubeless tires. And it buys you a lot more automobile than the same money buys elsewhere—more room, visibility, levelness of ride—plus the lift and pride and satisfaction that are yours from Buick size and distinction and solidity of structure.

Delivered and ready to roll, this beauty is now yours for fewer dollars than one of those "low-price three" just a few months ago. But take note of some more big news.

More for your money in Dynaflo, too! Buick's sensational new Variable Pitch Dynaflo—standard on ROADMASTER, optional at extra cost on other Series—brings you spectacular new performance, plus far better gas mileage—yet it's yours at no increase in price.

How about coming in and letting us prove all this? Then you'll see for yourself that you certainly can afford a '55 Buick—and that you most definitely won't want to pass up the thrills that go with it.

Thrill and buy of the year is Buick
