

Tartar Teen Talk

Have you attended the last few basketball games. If not, you're missing out on a real treat. Although our team is not on a winning streak, the games are very exciting and the scores are close. Those who do attend show a lot of school spirit and have a swell time. Why not join in this fun?

Once again election time is approaching. Much campaigning is going on and posters are beginning to fill the halls. Those who wish to run for an office may obtain nomination blanks in the counseling office.

Torrance High made its television debut last Thursday night. Our school was featured on the Gene Norman "Campus Club" on Channel 9. A large group of morning session Tartars traveled to the TV studio. Marilyn Linscott gets credit for Torrance's appearance on the show. The yell leaders opened the show with one of the best Torrance yells. The song queens and majorettes did a fine job of performing. Jim Donette, ASB president, assisted Gene Norman as co-master of ceremonies. ASB vice-president Cynthia Easley told a little about our school and Doris Popovich, commissioner of activities, told the television audience about the many activities at THS. Peggy Wood discussed the Tartar Dance Band, which played a terrific number. Introducing various athletes on the show was Paul Shinoda. A dance contest was held and one game was played. Jim Donette and Pat Rogan won the dance contest, in which five couples from Torrance participated.

Lena Malmstrom and Max Will, the foreign exchange students, were introduced. The luckiest gal on the program was Pat Hanover. She won a beautiful wrist watch for giving the correct answer to a quiz question. Sherwood Sherman and Sally Bridgeman gave the acts they performed in the Variety Show. It was a wonderful program and we should be very proud of our school. Last but not least, we have been invited to return in the spring.

Surprising Bill Montgomery on his birthday last Saturday night were a group of his friends. The party was held at Bill's home, and cake and ice cream were served. Jerry Hughes and Janice Cook, Tom Kulp and Sally Reed, Linda Hinds and Dave Conry, Carlene Sandstrom and Joe Moonham, Bev Oaks and Bill attended.
