**SCENE FROM PICTURE . . .** "John Wesley," produced by the Methodist Church in cooperation with J. Arthur Rank, will be shown at the First Methodist Church at 7:30 p. m. on April 20. The film portrays the life of the 18th century Englishman who founded the Methodist Church. The title roll is played by Leonard Sachs.

### 'John Wesley,' New Movie, Will Play Here Wednesday

By REV. JOHN L. TAYLOR  
First Methodist Church

The new motion picture, "John Wesley," will be shown at the First Methodist Church on Wednesday at 7:30 p. m.

The feature-length film is in Eastman color and was produced by the Radio and Film Commission of the Methodist Church in cooperation with J. Arthur Rank.

It brings to the screen for the first time the dynamic and colorful 18th century evangelist and educator.

John Wesley's miraculous rescue from a burning house at the age of five, at the beginning of the film, forecasts the dramatic and eventful life which unfolds in this story of a man of slight stature but of impelling influence upon his contemporaries and upon history.

**Came to America**  
The English clergyman thought his venture in America as a missionary to the Indians in the Georgia colony was a failure, but it was the kind of failure which opened the door to the discovery of a religious certainty he had been seeking.

Furthermore, this discovery in which John Wesley "felt his heart strangely warmed," led him to face mobs unafraid, and to ride 250,000 miles on horseback, changing the masses of English people from a low state of moral degradation to sturdy and happy uprightness.

His "enthusiasm" was frowned upon by the lethargic leaders of the Church of England

of that day, but it was this new-found enthusiasm which enabled him to influence so many phases of the life of English speaking peoples.

**Appealed to Common Man**  
His appeal to the common man, his establishment of schools, clinics, lay preaching, and societies—finally his sending of supervisors for the movement in the new world after the American Revolution—all these make the film one which will be long remembered.

While the film is being released only to Methodist churches during the initial period, the public is invited to see the picture at the First Methodist Church, 1551 El Prado.

What they say about the motion picture "John Wesley":  
" . . . deeply moving."—Life.  
" . . . superb photograph."—Newsweek.

" . . . to teach as well as to entertain."—Time.

### ATONEMENT IS SERMON ON SUNDAY

"The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many." This verse from Mark (10:45) will be the Golden Text in the Sunday Lesson-Sermon on "Doctrine of Atonement" in all Christian Science churches.

The healing import of Jesus' atonement and its practical application to human affairs is pointed out by John in his first epistle (2:12) when he says, "My little children,—if any man sin, we have an advocate with the Father, Jesus Christ the righteous: And he is the propitiation for our sins; and not for our only, but also for the sins of the whole world."

"Man cannot exceed divine Love, and so atone for himself," writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." She continues, "—Jesus' atonement is the man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit—the law of divine Love" (p. 19).
