Wedding Caravan Honks to Halt At Dead End of Heights Street

By Sue Burk
FR 5-4549

Have you heard the big news? Plans really started into motion when Mayor Albert Ison signed a proclamation that May 1st was to be Elk's National Youth Day. Special festivities are planned for a full days entertainment at Torrance Municipal Park, beginning at noon and lasting throughout the day with a street dance to finish the evening. For the kiddies will be games and tournaments of all varieties with the 1000 prizes to be given the winners of said contests. Special guests will be Buddy Ebsen and the Davy Crockett family. You'll really want to come along and join in the fun; and grown-ups as well as the teenager will be able to enjoy the street dance. Hurry now, make your plans to be there on May 1st.

On April 12th an accident involving three cars left one of our local residents in the hospital suffering ruptured spleen, head injuries, and severe shock. So far twenty-one pints of blood have been given to Mr. Luther Wiley, of Calle Mayor in the Victoria Terrace. We send along our very best wishes for a speedy recovery and please let us know if we can help. Maybe someone else will join us in offering an extra pint of blood.

Nice to see MMist Class Leonard Priestly home for a short leave from the USS Toledo now docking in Long Beach. Best wishes to Leonard and Connie during this short vacation.

Tabby McClune surprised the residents of 5320 Doris Way with a litter of three kittens this last Monday. Anyone for a kitten to raise just call Frontier 5-5682.

Illnesses this week include Lois Brady, of 5324 Doris Way, who has mastoid troubles, and Bradley Tecky who has huge swelled jaws or in universal language "the mumps."

Brownie Troop 1591 tripped off to Archie Shields Camp and the Marineland Oceanarium during the Easter holidays. The troop under the excellent guidance of Liz Boggs has plans for many more interesting trips in the future months.

The April 21st meeting of the Seaside Parents Teachers Assn. was held in the school auditorium. Mr. Jones expressed his wishes that more parents would attend the lecture now being given each Monday night by Dr. Pullias of Pepperdine College. Room visitation led parents to know that their children have far increased their knowledge of the arts, music

health, history, etc. At the Friday morning assembly the seventh and eighth graders were seen depicting what people would wear and things they might be doing in the year 1980.

MATCHES! !!! What a deathly destructive thing to leave about for children to reach. Evidence of such has been seen in Seaside Heights of a fire on Bindewald on Monday last, and a grass fire reported in the fields at the end of Zakon Road on Tuesday evening last. Needless to say what could have happened, but for the quick appearance of the Torrance Fire Department. Thanks to the menfolk of Zakon, the fire was held in check until the fire department could arrive on the scene.

A number of laughs were to be had one day last week on Zakon. Upon hearing horns like New Year's Eve the residents rushed out to see just what was

up. Imagine the pleasant surprise to see a wedding procession that had been caught on the dead end street. Much to the disgust of the bride and groom, but to the pleasure of the folks hereabouts, the bridal car had definite signs of motor trouble and had to be pushed backwards up the street. To top the whole deal off though, no-one knows who the bridal couple were.

You are still in time to attend the third and fourth in the series of lectures by Dr. E. V. Pullias to be held at Seaside Auditorium on the next two Monday evenings beginning at 7:30.

Pellet Smashes Window

The front window of his home was smashed by a pellet late Saturday, Edward O. Sorenson, of 19314 Beckwith Ave., told Torrance Police.
