

THERAPY DEMONSTRATION SET . . . Louise Lovinger will demonstrate the use of therapy at the second Vocational Institute at Harbor Junior College Friday, which is sponsored by the Harbor Vocational Nurse Alumni Assn. She is shown here, working with Leslie Ann Ford, of Torrance, who takes treatments at Harlan Shoemaker School in San Pedro.

RIGHT AROUND SEASIDE

Hi-Lighters Club Announces Yard Beautification Contest

By SUE BURK
FR 5-4519

Taking race car "TR 2" to Santa Rosa for the Cal Sales last week was Pete Cairns, of 5108 Zakon Road. He returned through Modesto where he spent the week end with an old Army buddy, Al Celano. This was the first time Pete and Al had seen each other since 1945, so they spent several hours recalling wartime events.

Newlyweds Jack and Lenore Coates are buying a home in the new Southwood section of Torrance, which is near Hawthorne and Sepulveda.

Must correct a name we mentioned in the last column. After the item appeared in print, we found the name of the new Williamson baby had been changed from Sue Ann to Sue Renee. All's o.k. so long as Sue remains.

Waking to the screaming noise of sirens, residents rushing out to see just what was taking place around this area Sunday morning. Looking across the tract toward Ellinwood gave Seaside a scare, for a grass fire was raging along the hillside. Last year about this time we witnessed another fire along the same

place. Probably another case proving that children and matches just don't mix.

The Seaside Hi-Liter's club has proposed a yard beautification program as the group's next project. The three-month event will begin next Wednesday, June 1, and a \$25 cash prize will be given to the person whose yard has shown the most improvement during that period. Details of the project will be announced as it becomes available.

Visiting the McClure household on Doris Way the past week end was William H. Bab-

co of Chicago. Mr. Babco works for the Armour Research Laboratories there.

Guess what? The road has finally been fixed leading out of Tullita Ave. to old Sepulveda. Boy . . . what a dream to drive over now. Try it.

We have the word over the grapevine that the Wescombe family of Carol Drive have recently returned from a two-week vacation in Hawaii. Bet they really had a time.

Best wishes for a speedy recovery go to Mira Mitchell, 8-year-old daughter of Jack and

Betty Mitchell of Zakon, who has been battling a hybrid mixture of the measles and intestinal flu.

Have heard a great deal about bites on children lately. These small bites similar to measles spots are due to sand fleas, very often. As a precaution: bathe the child in warm, soapy water, then, without toweling the child, rub bite area with baking soda. Damp weather drives the sand fleas into the warm spots—including the house.

Seaside's can be proud of 16-year-old Betty Morris, the daughter of Bill and Helen Morris of Reese Road. Betty has been selected by the Torrance Elks Lodge 1948 to represent

Burglary Investigated At Lumber Company

Airport Lumber Co., 4274 Redondo Beach Blvd., was burglarized over the week end. Detective Sgt. P. G. Bennett, of Torrance police, who investigated, found that a portable typewriter had been removed, a set of screwdrivers and \$4.

them in the Miss Community Fair queen contest. Betty was chosen for looks and brains—she plans to be a dental technician. She is five feet tall, weighs less than 100 pounds, wears a size 7 dress. She is asking all the neighbors to get behind her ticket sales program in connection with the contest.

Co-Council Will Meet

Housing will be the main topic of discussion at the June 2 meeting of the Torrance Coordinating Council, according to Juanita Cable, who will be the chairman. The meeting will start at 7:30 p.m. in room 10 of Greenwood School. There will be a talk on "The FHA in Court" by Sam Sheats, and another on "The Dignity of Man" by a pastor.
