

# Coming Girl Scout Bake Sale, Other Trips, Parties Hold Interest

By MARY WEBB  
FR 5-3651

Hello again, after a week's vacation and traveling. We're happy to be back in the Riviera hills, with memories of a wonderful trip up the coast and inland of Ojai. Upon return we heard the sun had disappeared from Riviera, but we know where it was—in Ojai, where we got a beaut of a sunburn lying around the pool at the Oaks.

Mrs. T. F. Daiell, 414 Palos Verdes Blvd., Hollywood Riviera, reported that the newly formed Girl Scout Marines' troop of Riviera will hold its first project tomorrow evening and all day Saturday. It will be a bake sale, says Mrs. Daiell, who requested donations of home baked cookies, cakes, pies, preserves or anything one can give the girls. Donors are asked to phone Mrs. Daiell at FR 53484 or Mrs. Jack Satterlee, skipper of the Mariner troop, at FR 5-3654. They will see that the donation is called for, and will answer questions.

The Hollywood Riviera School seventh and eighth grade classes held their last dances of the season on May 21 and May 27. May 21 was the big eighth grade dance, with music supplied by records, and games played between dances. The students decided to try a record dance this time, although they

have had an orchestra at all their other dances. Chaperones for the eighth grade affair were Dr. and Mrs. T. F. Daiell, and Mesdames Jack Satterlee and Ed Baker-bower.

The seventh grade dance, held on May 27, had music furnished by the Mira Costa High "Melodians." Both dances were staged at the El Retiro Park clubhouse. The general membership of the Hollywood Riviera PTA voted at the last meeting to sponsor the seventh and eighth grade dance programs next year. Mrs. Daiell, who is chairman of the program this year, reported that the Torrance Recreation Department placed a plaque on the piano at the clubhouse stating that it was donated by Mr. and Mrs. Clyde Linton, 501 Calle de Arboles, for use at the dances, and repaired through donations by the Riviera Sportsmen.

Mrs. Al Koester, 115 Via la Circula sings the praises of her neighbors since arriving home from her nine days stay at Torrance Memorial Hospital. She's joined by her husband. At the song tells of how their neighbors took such good care of daughters Marlene and Karen while she was away. They descended on the Koester household and straightforward cleaned up the house from top to bottom, and helped in many other ways that only good friends and neighbors can. Aint Rivierans wonderful?

At the risk of being personal, let's say now that we certainly enjoyed the Sportsmen's dance at the Riviera Beach club. A gala affair indeed, and replete, mind you, with a wonderful cocktail party held beforehand at the Roy Nashes, 230 Camino de las Colinas. So many of our friends and neighbors enjoyed the evening with us that it's just about impossible to list all their names. But we'll say this: there wasn't a frown the whole evening long.

Someone once said the two biggest days in a person's life are his wedding day and his graduation day.

One of the two biggest days is fast approaching for many young Rivierans. Torrance High seniors all over Riviera are counting the days until they trod the boards to received that long-awaited sheepskin.

Jim Cool, 18, son of Mr. and Mrs. Curtis Cool, 717 Calle de Arboles, will graduate from Torrance, but due to a sudden serious illness, will not be present at graduation ceremonies. His illness was diagnosed last Friday as Mononucleosis. Jim is bedridden at the present and receiving many drugs to help him in his fight to recovery, but he'll receive his diploma privately.

Other graduating seniors from Torrance include Judy Nash, Judy Reid, Connie Stout, Robert Leitner, Robin Cockerill, Pat Flanagan, Jerry Ropiquet, Carol Fitzgerald, Cynthia Eastley, Pat Hanover, Bitsy Van

Tine, Kay Crosshaw, Janice and Jean Brimley, Jim Lawrence, George Hurley, Gerry Hawkins, and the two exchange students from Europe who have been staying and studying in this area—Lena Malmstrom, who has been living with Mr. and Mrs. Henry Graef, 115 Via los Miradores, and Max Wills, exchange student from Germany, who has been staying with the J. B. Mosley's of Walteria.

Out at Marymount of Palos Verdes, in the first class ever to graduate from that school, Josie Puetz, daughter of Mr. and Mrs. Al Puetz, 520 Paseo de las Estrellas, will be one of those girls to receive diplomas from the school. Miss Puetz has been attending Marymount since her junior year.

Mr. and Mrs. George Bottomley, 251 Calle de Andalucia, hosted a birthday party for their son, Bill, on May 25, at his home.

It was a barbecue party, held in the patio, and the festive affair celebrated Bill's seventeenth birthday. Friends and relatives attending included Phil Southern, Bob Calkins, Jerry Bottomley, Mrs. Helen King, Bill's grandmother; Mrs. Ethel Travis, and Mr. and Mrs. Jim Bottomley.

Mrs. Travis, a friend of the Bottomley's, is currently visiting them from their home in Frankfurt, Mich. Mrs. Travis, a retired music teacher, taught school with Mrs. Bottomley in former years. She will remain in Riviera until approximately July 1.

Mrs. R. C. Herrick, 109 Paseo de las Delicias, safety chairman of the Riviera PTA, and organizer of the lower Riviera Bicycle Club, reported this week that the bike club meeting was held on Saturday, May 14, at the regular meeting place on Vista del Parque. All club members decorated their bikes with crepe paper streamers for the May decoration theme. Mrs. Herrick added that she and Mrs. Walter McClelland, 126 Via Buena Ventura, judged the contest events. Richard Jones, 108 Via Estrella, won the first event, that of turning around within a limited area. Event two, covering large and small obstacle courses, was won by Carole Bonnette, 132 Via la Circula; Ann Paul, 183 Via los Miradores; Lynn Hamilton, 53 Calle Mayor; and Tim Kuehnell, 517 Via la Selva. Each of these cyclists won in his or her class, and the award will be mailed to them.

Final event of the day was bike inspection, officiated by Walter D. McClelland, who together with his wife has been working with the Bicycle Club for some time. Next meeting of the group will be Saturday at 11 a.m., with a picnic at El Retiro Park after the meeting.

Mr. and Mrs. S. A. Broughton, 108 Via Sevilla, have been entertaining out of town guests since March at their home. They are his parents, Mr. and Mrs. C. J. Broughton of Amherst, Pa. The elder Broughtons are planning to remain here in Riviera a little longer before returning to their eastern home. They have been enjoying a number of side trips while here, and have found time to visit

another son in the Pacific Northwest.

Last week, 45 wives of the YMCA executive organization attended the TV show of Art Linkletter. Among them were Mrs. George Bottomley, 251 Calle de Andalucia. Mrs. Bottomley reports that after the show, the group traveled to the Farmer's Market in Los Angeles for luncheon. It was a regularly scheduled get-together affair for the YWCA wives.

New troop leader of Brownie troop 206 of Hollywood Riviera is Mrs. R. C. Herrick, 109 Paseo de las Delicias. She takes the

place of Mrs. George Evans, 328 Avenida Atezada, who has moved from this area.

Mrs. Herrick reports that the troop had a cake bake at her home on May 18, each Brownie baking and icing a cake and then eating it, of course. Mothers attending the meeting enjoyed a coffee klatch and visiting.

Girls in this Brownie troop include Alicia Aron, Jacqueline Bratt, Suzanne Bridges, Victoria Griebel, Kathryn Mabin, Marilyn Mazza, Nancy Lee McGrady, Catherine Ann Pollard, Valerie Shidler, Susie Schindler, June Shopper and Cynthia Warr.

On Saturday, June 25, at 4 p.m., at St. James Church in Redondo Beach, Miss Pat Robinson will become the bride of Robert T. Carrington, 220 Via Alameda, son of Mr. and Mrs.

Ted Carrington. Miss Robinson is the daughter of Mr. and Mrs. George Robison of Manhattan Beach. The Rev. Joseph Schneider will officiate. After the wedding ceremony, reception will be held at the St. James Parish Hall.

Mr. and Mrs. Forrest N. Baughman, 118 Paseo de la Gracia, together with their daughter, Miss Dorothy Baughman, just returned home from a ten day journey to Jamaica, B.W.I. They left Riviera on May 6, flying to Miami via New York City. From Miami, they flew to Havana and from there to Jamaica, where they stayed at the Montego Hotel at Montego Bay for six days and nights. From Montego, they tell of side trips to various points of interest around Jamaica, of sailing excursions around Montego Bay, glass-bottomed boat trips

and other interesting things. They returned then to Havana, where they exclaimed over the tremendous progress being made by that city. Great new buildings done in modern architecture were in evidence since their last visit about two years ago, they said. From Havana, they journeyed to New York and then to Cedar Rapids, Iowa, where they visited with her relatives. Then home to Riviera, still enjoying perfect weather that had accompanied them throughout their journey.

Mr. and Mrs. Henry Graef, 115 Via los Miradores, accompanied by their eight-year-old daughter, Nancy, and Lena Malmstrom, exchange student from Sweden, who has been living with the Graefs, have returned from a week's trip to the state capital. While in Sacramento, Miss Malmstrom was presented to the floor assembly and her introduction and presence was made a part of the minutes for the day.

## TAKE THE LAND INTO YOUR HANDS

A colorful ceremony of early California days can be traced directly to man's age-old desire to take the soil of his land into his hands. This ceremony took place when the claimant of a Rancho, in the presence of the local magistrate and witnesses, officially obtained his grant. The new owner then "entered upon and walked over said lands, pulled up grass, scattered handfuls of earth, broke off branches of trees and did other acts..." to show all attending his physical possession of the land.

Today, Rancho Palos Verdes enters a new phase of development. Here, planned communities of beautiful homes will grow... communities that will bring the best in California living to those who come here. It seems fitting that many new owners, as they work their gardens, will once again take the soil in their hands and unknowingly re-enact this beautiful old ceremony.
