

RIGHT AROUND SEASIDE

Summer Vacations Will Follow School Graduation on June 16

By SUE BURK
FR 5-4549

Hello again. Here I am with a little glad news and maybe a drop or two of sad news. But, think of all the fun we are going to have once school is turned out for summer vacation.

Talking about school, I have a short report from Lloyd Jones, principal of Seaside Elementary School. Graduation exercises for eighth grade students and their parents will be June 16 at 7:30 p.m. in the Seaside School Auditorium. Each student will be given three tickets so that he or she may invite the three most special persons in his or her life.

On the Tuesday before vacation, the eighth grade will have a picnic at El Retiro Park. This to be sponsored by the Seaside Parent-Teacher Assn. School is officially out for summer vacation on June 17.

Seaside, here is news that is great news at any time. The Torrance Community Fair and Rodeo, which is sponsored by the Torrance Junior Chamber of Commerce, will be held on July 13 through 17. Included in the fair will be a contest to see who shall be queen of Torrance. One of our own young ladies is a candidate in the running. Sponsored by the Elks Lodge, pretty little 16-year-old Betty Morris, of Reese Rd., is out to sell the yellow tickets to the fair. Now lets get behind this ticket sale with all our might and make our girl "Miss Torrance"—queen of the fair. Each ticket sold means one vote for Betty; but, don't stop there—buy a whole book of four votes (and get a chance at that seven day air tour to Hawaii). See you at the fair.

The fourth meeting of the Carol Belles was held in the home of Betty Blevins, of Carol Dr., in the Rancho. Guests present at the meeting were Marge Andrews, Betty Blevins, Jeanne Gunderson, Marian Ogilby, Marydel Rendon, and Mildred Ristine. After the usual business procedure, Mrs. Blevins served the ladies coffee and whipped cream pie.

Now for a real let down feeling I have three good reasons. Sorry to hear that the John Briener family of upper Doris Way have had to move to Pomona. It will be easier on Mary, though, now that John is closer to his work. Seaside has indeed suffered a great loss in this fine family.

Mr. and Mrs. Allan Schacht, also of Doris Way, have sold their home. They plan to take up residence in Long Beach for the time being while awaiting a long luxury cruise to Hawaii.

Gone from us but not forgotten are Pete and Dorothy Cairns, of 5108 Zakon Rd. The Cairns will be moving into their new home in Torrance within the month. At present, Dorothy is in Missouri visiting her mother who recently suffered a stroke and paralysis.

A surprise birthday party honoring Lee Daggett, of North Redondo, was really a big surprise. Included in the guest list were Mr. and Mrs. Bill Morris, Mr. and Mrs. Pete Mota, Mr. and Mrs. Marvin Rogers, Mr. and Mrs. Bill Hart, Mr. and

Mrs. Wayne Casey, Maxine Taylor, and Bob Gein. After serving a buffet luncheon, the party was topped off wonderfully when Mrs. Daggett presented her husband the birthday cake with the antique car motif.

It had just begun so you still have lots of time to get in on the three-month "Yard Improvement Contest" sponsored by the Seaside Hi-Lighters Club. For more information and registering call Mrs. Rose Lee McClune at FRontier 5-5692.

By the way, have heard from a little birdie that the Gay Eustice family of Bindewald Rd. did a bit of entertaining the other night when relatives dropped in. It's high time you two kids had a bit of fun, after all the long hours that you both work. Eustice is employed by Metropolitan Coach lines while wife Trudy is a nurse at Harbor General Hospital.

The Leonard Priestleys, of Vanderhill Rd., recently returned from a long vacation trip to Iowa. While there they visited with parents of both Leonard and Connie, staying with Rev. and Mrs. Jonas Priestley in Riceville, Ia., and with Mr. and Mrs. R. P. McCord in Iowa Falls. Most pleasing to the Priestley children, though, was the train ride; their very first and oh, what excitement.

Measles are pretty well dominating all illnesses in the Seaside area the past week or two. Last to be caught with the little red spots was Noreen Daggett, infant daughter of Mr. and Mrs. Lee Daggett, and granddaughter of Mr. and Mrs. Bill Morris of Reese Rd. Also, ill with measles are Mira, Jimmie, Larry, and Mark Mitchell, children of Mr. and Mrs. Jack Mitchell, of 5113 Zakon Rd. And it happens to be Mira's birthday, too. That means no party for a little eight-year-old girl, so how about sending a card?

Would like to take this space to express my thanks and appreciation to the faculty of Seaside Elementary School for the very wonderful work they have done during this past school year. To Lloyd Jones, I'd like to give added thanks for the cooperation he has shown to us not only as a teacher and principal but as a good friend. Not to be left out is the Seaside Parent-Teachers Assn. We think we have had one of the best years known in Seaside; for this we express our thanks to Mrs. Earl Welliver and her staff. Would also like to wish our best to the incoming officers of the 1955-56 PTA year.

Dear friends, this will be my last column until about the middle of July, at which time I will be back raring to go and willing to write anything newsy that you have to tell me about. I'm off for a little vacation of my own, and boy, do I need one. Don't forget to tell me about all your visits or visitors, birthdays, parties, and just plain news when I return. Until then—Happy summer vacation.

Land Surface
Earth's total surface is estimated as 36,480 million acres.

Karl's Aids City of Hope

Karl's Shoe Store is the local headquarters for the June celebration of City of Hope Month. Collection-cans that will serve when filled by donations of friends for the medical center, as free tickets to a gala Telethon Carnival, are available at Karl's, 1281 Sartori Ave.

Highlighting the month's activities will be a Telethon Carnival on Saturday at 11 p.m. to Sunday at 4 p.m., over Station KTLA, Channel 5, at Forum Theatre, 4050 W. Pico Blvd., Los Angeles.

A carnival will be held in conjunction with the telethon. A filled bank will be the family's ticket to the carnival on Sunday from noon until midnight.

The banks may be turned into Karl's Shoe Store any day of the week following the telethon, or they may be mailed or brought in to City of Hope, 208 W. 8th St., Los Angeles.

Money collected in this drive will be used for a children's wing for care of cancer and leukemia patients at City of Hope. The late Pincus Karl of Karl's Shoe Stores was a founder of the institution at Duarte, Calif.

Early Visitor
The coast guard's cutter Lincoln was the first U.S. ship to enter Alaskan waters after the territory was purchased from the Russians.

TIME RANKS IITH BEST

Coach Willard Morgan announced at Thursday night's sports banquet he had received notification that Dennis Hester's best time in the 880-yard run this year ranks 11th nationally.

The Trojan Club, SC boosters group, told Morgan of the mark, which includes marks by high school, collegiate and other amateur runners in the country. Hester's best of 1:55.5 was a non-winning time that took

third in the CIF finals. The THS athletic star held on during a furious stretch battle to finish second in the State high school meet, last week. He received a silver track shoe from Morgan, donated by the THS Student Council, for registering the outstanding mark.

Social Work Seminar Set

Labor, management and social agencies will join in a giant "seminar" to discuss area community problems, Saturday, June 18, at the University of Southern California.

The second annual AFL-Management-Social Work Institute follows the AFL national policy of participation in social work administration work at local levels. Sponsoring organizations are the Welfare Federation of Los Angeles Area; Welfare Planning Council, Los Angeles region; Central Labor Councils of Los Angeles, Pasadena and Long Beach; and San Pedro-Wilmington schools of social work at UCLA and USC.
