HEAVY HITTER

JOHNSON, CHUDY NAMED TO ALL-STAR FOOTBALL SQUAD

Narbonne High football-baseball ace Steve Johnson, who resides in Torrance, has been selected to quarterback the Los Angeles City prep all-star eleven when the club tangles with CIF all-stars in August in San Diego's Balboa Stadium.

A passing whiz at left halfback while at Narbonne Johnson was graduated on Friday. He will be joined in the All-Star contest, which is held annually under the auspices of B'nai B'rith, by another Narbonne grid hero, Craig Chudy. Johnson was an All-Marine League first team selection this past year at Narbonne. He was one of the top passers in the city.

In 1953, he tied for the longest completed pass thrown by a high school gridder in the nation. He was on the heating end of a 56-yard completion in his junior year.

All-Star Hurler

Last Saturday, Johnson pitched for the City all-stars in their annual baseball game with CIF prep stars. The game was held at Wrigley Field.

Johnson was the ace pitcher for the Narbonne nine, which finished second in the Marine League play this spring.

The 6', 170-pound athlete was picked for the August grid contest by the co-coaches of the City team, Ray Jace of Eagle Rock High, and Bill Samarin, of Wilson.

Chudy, from Lomita, was a third team All-City selection in football last season at Narbonne. He was an end.

Craig also won the City title in the high hurdles during track season. He stands 6'2" and weighs in at 185 pounds.

Both Chudy and Johnson have received numerous offers from leading colleges throughout the area. Neither has decided yet where he will matriculate, however.

Johnson is the son of Mr. and Mrs. Harry Seaman, of 1502 W. 218th St.

Chudy resides with his family at 26374 S. Western Ave., Lomita, with his parents, Mr. and Mrs. Joseph L. Chudy.

Aerial Trout Plant Slated

This summer's aerial trout planting program, which gets into full swing, June 29, will be the heaviest aerial stocking in the seven years of this sky-borne operation, the California Department of Fish and Game has announced.

Senior Pilot Al Reese and his two fellow pilots are scheduled to drop over 4,000,000 fingerling trout in nearly 700 remote high mountain lakes throughout the state during the next two months.

Joe Austin Homers As Cards Win

Joe Austin pitched and batted for the National League Cardinals to a 4-1 triumph over the Braves Wednesday night at Little League Park.

Austin hit a two-run homer and hurled a four-hitter to lead the Cards. They scored two runs in the fourth and two more in the top of the sixth to nab the victory.

Tim Wayt was another big stickler for the Card cause. He rapped out a double.

Braves' Pitcher Johnny Keith limited the winners to three hits. He also smacked a two-base hit, but his teammates could not bunch their safeties effectively.

The Braves scored their only run in the first inning and then were shut out the rest of the way.

Austin struckout 14, walked two. Keith walked five and fanned 12.

Tomorrow night at 6 p.m., the Yankees and Braves face each other in the National loop tilt, Thursday, same time, the Cubs and Cards vie at Little League Park.

With this latest transfer of funds, the Whittier Narrows project now has a reserve of approximately \$190,000 as \$50,000 was previously set aside at the Board's March meeting.

TOO LATE... Third Baseman Ray Walker of the Pirates is forced out at home in third inning of Dodger-Pirate tussle Thursday at Little League Park. Walker sped home on a grounder, but Dodger Catcher Jack Parker made the play before he could score.

Dodger, Pirate Little League Game Protested

The first place Pirates and tail end Dodgers mixed in American League play Thursday night, with the Bucs rallying from behind a 4-1 deficit to win, 5-4, at Little League Park.

It was the second time within a week the two teams tangled. Earlier, the Dodgers registered their first American loop victory by slaughtering the Pirates, 10-3.

A solo run in the home half of the fifth inning provided the Pirates with the go-ahead run. Dean Hancock doubled to start the inning and Dodger Pitcher Dick Gresham loaded the bases on two walks. Rick Kittell then grounded to Shortstop Carner, whose only play was to first. Kittell skipped home with the clincher.

The game is under protest, however, due to a questionable call in the first frame. With Kittell on second base, Pirate Ray Walker sliced a bouncer to Carner, who advanced to make the play.

Walker collided with Carner, and was allowed to continue as a base runner. He subsequently scored the Pirates' first run.

A ruling on the protest is due later.

Doug Potts smashed a home run over center field fence in the third to bring the Pirates back into the game at 4-3. Potts' drive sent a runner home ahead of him as the ball cleared the 180 foot mark near the scoreboard.

Phil Nicholson settled down to get credit for the Pirate win. He allowed the Dodgers only three hits.

Gresham pitched for the Dodgers, yielding six hits.

Tuesday, the Giants overwhelmed the Tigers, 17-9, with Cliff Roy getting three for three including a pair of homers.

Roy drove in six of the winners' runs.

His second round tripper cleared the fence and the trees in the rear of the park. It landed in a meadow and was the longest belt out of the park this season.

John Newborn also homered for the winners.

Irv Palica pitched the Giants to victory, although giving up the nine runs. The Giants clinched the win with 11 big runs in the fifth inning.

Tim Roettger and Jeff Hurlford pitched for the Tigers.

Tonight, the Tigers and Dodgers square off in a twilight game at Little League Park. League action picks up again on Wednesday, when the Giants and Pirates take over for a 6 p.m. contest.

Dodgers — 040 000-4 3
Pirates — 102 11X-5 6
Gresham and Parker; Nicholson and Kittell.

(Final outcome of game rests on decision on official protest, launched by Dodger Coach Don Gerard.)

Tigers — 350 100-9 6
Palica and Challis; Hurlford, Roettger and P. Venable.

GOLF SENSE

By STEPHEN CONNOLLY

Pro. Torrance Fairways

Instruction in the fundamentals of the golf swing is of primary importance to the beginner and also to the players who have had at some time golf lessons to straighten out their game.

Without a good understanding of such fundamentals as grip, stance and balance, a sound game cannot be developed. Most people who do not consult the pro, or professional when analyzed do not make "golf sense." They definitely retard the progress of the individual golfer.

It is a case of the "blind leading the blind," if such a phrase can be applied here. A golfer all too often takes tips from various and sundry other "experts" and usually gets nowhere. This type of "advice" puts the golfer at a disadvantage. Years of experience and patience have given the golf instructor sufficient background to aid him in teaching the game the right way.

Theorizing without supervision is apt to prove misleading. Next week: Etiquette of golf, with a few do's and don'ts.

ing week end, boat tickets and permits will be sold at the reservoir, and boat reservations may be made by phoning El Capitan Recreation Station. The station phone number will be announced later.
