Girl Scout Mariners Officially Launch Their New Ship, Saratoga

By MARY WEBB
FR 5-3021

All decked out in their new blue and white uniforms, the Girl Scout Mariners, launched their own ship, the M. S. Saratoga, at official launching ceremonies held Saturday evening, July 16, at El Retiro park. Official Mariner pins were presented the girls by Mrs. Lorraine Forsyth, president of the South Bay Girl Scout Council.

The Mariner troop is sponsored by the Riviera Sportsmen's club.

Following the launching ceremonies, refreshments were served, followed by a dance.

Other Scout ships invited to the ceremonies included the M.S. Seamount of Manhattan Beach, and the S.E.S. Orion, brother ship of the Saratoga.

Five of the Mariners will leave July 25 on a five-day cruise aboard the 40-foot ketch, "Resolute." The ketch will travel to East Catalina, thence to Santa Barbara Channel Islands, then back to Catalina and Avalon.

Mariners making the trip will include Sally Bawling, Marilyn Brier, Barbara Hummel, Susan Matson and April Satterlee. Mrs. Jack Satterlee, of 255 Calle de Andaluca, skipper of the Mariners, will accompany them, as will Jack Satterlee, mate of the ship.

The remainder of the girls in the local organization will take their course starting Aug. 27. Girls on the latter voyage will be Jan Dudley, Barbara Baker, Bower, Jane Holmes, Rosemary Siah, Gall Bowman and Ellen Dail.

Families of the members of the Pacific Little League team, the Seals, gathered last Sunday afternoon for a joint picnic at Waverly park. The picnic and accompanying entertainment followed the last game of the season, played last Sunday at the Little League ball park in Waverly.

Team coaches and managers and their families as well as team members and their families, all took part in the festivities.

Five members of the Seals played their last game with the team and received baseballs autographed by all team members. The boys who have reached the age of 12 and so automatically must drop from the team are Johnny Lyons, Chris McGovern, Sam Mazorovich, Mike Warden and Jimmy Zack.

Coach Mike Ramirez was presented with a beautiful jacket, a gift from the parents of the team members, while Mrs. Ramirez presented him with a new watch.

Following the picnic supper and presentations, a baseball game was staged between the fathers and the sons. The fathers, fortunately, won the tilt, 15 to 14.

Celebrating her eighth birthday with a party at her home was Linda Hayes, daughter of Mr. and Mrs. William Hayes, 121 Via la Circula.

The party, held last Thursday, was highlighted by games, a peanut hunt for prizes, and Brownie troop songs and games. The party scene was enhanced by Japanese umbrellas and lanterns hung out to accent the party fun.

Attending the festivities were Caro Bonnette, Sharon Gibbs, Susan Herrick, Nancy Kelly, Karen and Mariene Koester, Peggy McElroy, Anna Schwartz, Penny Kolpeck, and Kathy and Donny Moor, cousins of the celebrant.

Old Glory flew at half mast on July 12, in front of the home of Mr. and Mrs. Donald Beaver, 221 Via Los Miradores.

It flew to honor the burial of her brother, Col. Clement Hare, who was laid to final rest that day in the Military Cemetery at Hawaii. Col. Hare, son of James Hare of Prospect Park, Pa., was killed in action in November, 1950, when the Chinese Communist army swept down into North Korea.

Mrs. Beaver tells us that he enlisted in Hawaii, in the pre-World War II days, together with three of his five brothers. It was because of this first duty station in Hawaii that his family decided to make the islands his final resting place. He saw duty in Africa and Attu during World War II, as well as serving in the Korean action.

Visiting her firstly were Mr. and Mrs. Ralph O. Greer of Phoenix, Ariz., who are here on the second leg of their vacation from the desert summer. They just came north from conference in Coronado and will remain here for two weeks before continuing their journeys.

Mrs. Ludden Robb and son, Mayo Robb, 11, are also visiting the Greers. They hail from Phoenix, too.

And then came Mr. and Mrs. Frank Vespoli and two sons, Mark and Kim, all of Modesto, who were accompanied as guests over the week end.

Mrs. Robert Pinkney, of 361 Paseo de Gracia, new president of Las Vecinas, held an informal meeting of her new board recently at her home. Tentative plans were made for the fourth annual Panake Breakfast and Country Store at El Retiro park on Oct. 16. Proceeds, as before, will go to the youth and welfare projects of Las Vecinas.

John Reed, of 158 Via Alameda, Chief Warrant Officer of the Navy, left on his ship, the USS Bremerton, on a cruise of Far Eastern waters. His sons, Larry and Stevie, and wife, Nan, bade farewell to him on Monday week ago. Reed promised that the big cruiser is in for a short tour of duty this time, with his return being not too many months away.

Mr. and Mrs. Joseph Manning, of 215 Via Alameda, together with their three children, Jerry, 7, Gall, 4, and Michael, 16 months, have returned from a trip back east. They arrived home in Riviera on July 7.

The Mannings spent one week with relatives in Boston, Mass., and then traveled north into Maine for two weeks more with parents. While in New England, they took the children to famed White Mountain in New Hampshire, where the tots were introduced to ski-mobiling. The whole family enjoyed watching the championship skiers over the famous White Mountain courses.

New owner of the La Carta shop on Catalina in the Village is Mrs. John H. Janse, 160 Via la Circula. Mrs. Janse bought it about a month ago, she reported.

Dr. and Mrs. Frank Silva, of 108 Via la Circula, took off for a trip to Columbus, O., on June 20. Dr. Silva, who maintains his dental offices in Hollywood Riviera Village, stopped off at Cleveland, to act as our local representative at the Kiwanis International convention.

On their way east, the couple visited Glacier National park, Pacific Northwest, Niagara Falls and finally ended up in Columbus, where they visited relatives. Dr. Silva came home early to resume his practice, while Mrs. Silva journeyed to Kansas for an indefinite visit with relatives in that state.

Another traveler is George Bottomley, of 251 Calle de Andaluca, who this week is en route to Europe.

He's YMCA supervisor for California, Nevada, Arizona, New Mexico, Utah and Hawaii, and he's on his way to Europe to attend the International YMCA convention to be held in Paris. After a plane trip to New York, he'll embark Saturday aboard the SS United States bound for the opposite side of the Atlantic. He plans to take a 10-day vacation while in Europe, spending about five days in London and South England, and another five in Rome and its environs.

But Bottomley is not done with traveling when he returns.

De Oro, celebrated his 13th birthday with a party dance at home following the Europe excursion, he'll fly to Hawaii to resume his supervisory duties over that territory's YMCA activities.

The Scouts, by the way, are entertaining an out-of-town guest. She is Miss Bernice Scott, of Stockton, who will remain here for about two weeks before returning north to her home.

A baby shower in honor of Mrs. Ernest H. Russell, of 213 Calle de Madrid, was held Wednesday evening, July 20, at the home of Mrs. Richard Stockton in Rolling Hills. The shower, co-hosted by Mrs. Stockton and

Mr. and Mrs. William Spore, of 214 Via Alameda, and their three children, have returned from a week spent at Dawson's Cabins in the Big Bear region of the San Bernardino mountains. The Spores report they spent their time swimming, sightseeing and just plain resting. A big time was had by all the Spores, including Douglas, 6, Bradley, 4, and Gavin, 1.

Mrs. Ivan Hornbecker, saw some 80 guests assemble to wish the best to Mrs. Russell and congratulate her on her coming blessed event. After the showering of gifts, refreshments were served.

Major David C. Cochran and his wife, Lt. Margaret Cochran, of 208 Calle de Andaluca, were two of some 50 guests who attended the bon voyage party given for Cadet Commanding 1st Lt. Michael Regan, of the Civil Air Patrol Cadets, at the Torrance YMCA recently.

The party was hosted by the cadets of South Bay Squadron 43, Long Beach Group 7, who wished Regan bon voyage on his trip to Norway on the cadet foreign exchange plan. Regan, as representative of the youth of this country, will tour Norway and act as goodwill ambassador for the air-minded young of this country.

The senior CAP members of the South Bay Squadron 43, including the Cochrans, presented Regan, a San Pedro boy, with a military utility bag and accessories. Cadet Regan departed for Norway on July 13.

Four local members of the Torrance YWCA "Coquettes" were among 15 members of the club who spent a week recently at Crestline in the San Bernardino mountains. The girls, all juniors at Torrance High school, enjoyed a week of swimming, boating, dancing, miniature golf and other resort entertainments. Making the trip were Arleen Herrick, Sandra Beaird, Adrienne Aselin and Nancy Dorsett. Mrs. Charles Aselin, mother of Adrienne Aselin, accompanied the girls as one of the chaperones.

Motor vehicle registrations reached 58,129,000 in the U. S. in 1954, and this record number of cars and trucks required 44 billion gallons of gasoline to keep them in motion.

Ferguson Will Appear In USC Presentation

Burnet Ferguson, El Camino College instructor in drama and speech, will be a cast member in the University of Southern California drama department presentation of "Sabina Fair," this week end.

The four-act comedy will be presented at Bovard Auditorium, at 8:30 p.m., tonight, tomorrow, and Saturday nights. A former movie performer, Ferguson is working on his PHD at USC.

Sleeping Bags Stolen From Man's Garage

Four U. S. Army sleeping bags were stolen from a garage at 2016 Andree Ave., Lomita, deputies at the Lennox Sheriff's Station have been informed. Their value was placed at \$60.
