'Unusual' Weather Can't Stop Children's Birthday Parties

By JANET ROBINSON and BARBARA WEAVER FR 5-7063

Last week it seemed that new babies were the order of the day; this week it seems to be birthday parties. Janet Smith, of 4438 Green Meadows, entertained on Wednesday the 24th at a birthday party in honor of son Cory, who is now one year old. Among those attending were Cory's great-grandmother, Mrs. Johnson; his grandmother, Mrs. Smith; an aunt from Texas, Mrs. Grant Johnson; Mrs. Kay Kempe; Mrs. Eugene Hough; Nevin Fosterling and children, Nevin, Tony, and Johnny; Sharon Nelson and son Scott; Mrs. Walter Hetz and Nancy Jo and Tracy; Mrs. Clifford Houghboom; and Mrs. J. Will Cameron.

Miss Vickie Lee, of 4434 Green Meadows Ave., celebrated her seventh birthday last Thursday in a novel fashion when her mother, Janice Lee, invited several of her friends to a Humpty Dumpty upside down party. Those attending were Linda Rogers, Linda Wylder, Judy Hampton, Donna Schenk, Vickie Lee King, Danny and Carrie Schuerman, and Vickie's brother, Gregory.

Nevin Fosterling, 4532 Green Meadows Ave., was hostess on Thursday the 24th at a party celebrating the third birthday of her daughter Nevin. Those present for the occasion included both sets of grandparents, Mr. and Mrs. Eugene Hough and Mr. and Mrs. Jack Fosterling; an aunt, Mrs. Stanley Irons and children Sally, Katie, and Marjorie; Marjorie Newkirk, Richey Newkirk, and their mother Mrs. Jean Newkirk.

Mrs. Jean Bowman, of 4526 Pacific Coast Hwy., has returned home from a few days stay in the hospital as a result of complications brought about by intestinal flu. We are glad to see her up and about once more.

The Blayne Ashers, of 4608 Pacific Coast Hwy., returned on Saturday from Santa Barbara where Jean had joined Blayne for a two day stay while he was there on business. Jean reports that Blayne Jr., has returned home from the hospital, but will wear a cast for about two months before his arm is completely well.

Mrs. Ray Pickering, 4414 Green Meadows Ave., and chil-

dren, Toni, 7 1/2, and Teri, 5, returned recently from a three week trip to Breckenridge, Texas, and McCloud, Calif.—a trip rather than a vacation, Mrs. Pickering says, because they made the journey by car. Teri, incidentally, celebrated her fifth birthday en route. The Pickering's will spend Labor Day week end in Santa Barbara, where both will participate in the sports car races. Let's hope they come home with some prizes!

The Stewart Schuremans, of 4426 Green Meadows Ave., spent an interesting week end on the 27th and 28th. Perhaps some of you on Green Meadows noticed parts of a plane being towed up the street, or that garage on Green Meadows that housed a small plane in half of it rather than a second car. Well, in the past 18 months Stewart has built his own plane, a two passenger, 40 HP model, and last week end he and Lucerne flew it to San Luis Obispo to visit friends. Things went very well until just past Santa Barbara when the weather closed in and they spent an hour at a small airport at Santa Ynez waiting for it to clear before they could proceed. Other than that the trip was very pleasant and uneventful. Lucerne reports that Stew has taken a number of people up for their first flight in the plane. Many who have flown in airplanes have never flown in a small plane and find it quite a different and interesting experience. Among his passengers have been Vickie and Gregory Lee, ages 7 and 3, who live next door.

Mr. Heston, a native of Okla. town, Iowa, has lived in Torrance for the past 29 years. He lived at 429 E. 213th St. at the time of his death. He was a retired lumberman, a former member of the Knights of Pythias, and a member of the Woodmen of the World.

He is survived by his wife, Lillian, of 1742-A Cabrillo Ave.; four sons, Harley, Binton, William, and Victor, all of Torrance; and four daughters, Mrs. Vivian Orr of Prescott, Ariz.; Mrs. Reina Jane of Baltimore, Md.; and Mrs. Betty Mello and Mrs. Lauretta Faust of Torrance.

Interment will be at Green Hills Memorial Park.
