**WHAT SHALL I BE ?**

"What shall I be when I grow up? What is life all about? Is there a God?"

Johnny is seeking. He wants to mold the future. He wants to know what to make of his life.

In later years, if Johnny hasn't found the answers, he will stop asking. He will be too concerned with the present to look to the future. He will be busy supporting a family, getting a new car, meeting unexpected sickness, trying to keep up with the Joneses.

So Johnny will start drifting. He will be carried away by the problems and anxieties of the grown-up world. He will be swept along in the stream of life without aims or purposes.

Help your Johnny to find the answers to his seeking. Take your child to Sunday School and Church this Sunday. Help him find the truth and certainty and faith to shape a great life.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
