

City Orders Master Plan For Airport

(Reprinted from Monday, Jan. 2, HERALD)
 Quinton Engineers, Ltd. will prepare a master plan for development of the Torrance Municipal Airport, City Manager George Stevens said last week. The report will also cover aspects of operations and management. The firm will submit the report in late April. The service will cost the city \$4500.

Business Develops

"There are 258 more business concerns in Torrance today than there were seven years ago," says R. G. Duncan, regional manager of the Los Angeles office of Dun & Bradstreet. Basing his facts upon the figures in the current November Reference Book, Duncan points out that in 1948, 339 businesses were listed by Dun & Bradstreet; today there are 597 enterprises—a 76 per cent increase.

Teenagers Nabbed

Four teen aged burglars were apprehended this week, two in Oregon and two more in Torrance and charged with separate counts of burglary here and in Red Bluff, Calif.

Torrance Juvenile officers said that two local boys, both 16, were apprehended in Portland, Ore. and are being held for extradition to the Southland on burglary charges. They are accused of taking more than \$1700 in loot in a number of house burglaries in Southern California.

Grigger Arrested

Two Torrance boys, one a performer on the THIS football team last fall, were handed over to Santa Monica authorities Wednesday after they led local police on a wild chase before being captured in a stolen car. The youngsters, one 16, the other 17, took off in a 1956 model car when officers stopped them for routine questioning. Police followed them at speeds up to 100 miles per hour and finally nabbed the pair when they ran into a dead end at 171st St. and Crenshaw Blvd. During the chase the fleeing boys left the road and drove the car over plowed fields and ditches.

Youth Hospitalized

A 19-year-old Artesia youth was judged a sexual psychopath and remanded to the Atascadero Mental Hospital for 90 days Wednesday after he was convicted of leading a gang that rava gged a 14-year-old Westchester girl in the Palms Verdes Hills, Oct. 24.

Eugene R. Hedlund, who was previously declared sane, was sent to the Atascadero institution. He must face sentencing following treatment, however.

Nab Market Burglar

Wayne Babb, 21, of 1919 W. 218th St., was held over for sentencing and probationary hearing in Superior Court at a preliminary hearing in South Bay Municipal Court, Thursday, on charges of malicious mischief. Babb was arrested Dec. 22 by Officer Miles Hamilton at 203rd St. and Crenshaw Blvd., in connection with the entering Dec. 16 of Tosh's Market, at Arlington Ave. and 238th St.

Coad Buys Liquor

A 17-year-old Torrance High School coed was arrested by state liquor authorities Friday night as she was coming out of a Lomita liquor store, a bottle of bourbon under her arm. Officers arrested the girl and the clerk who sold the liquor after they watched her make the purchase. The girl said that she and five other THIS coeds had decided to buy the bourbon to have a party.

New Patrolmen Added

Seven new highway patrolmen reported to duty Friday at the California Highway Patrol office in Compton, Capt. D. A. Watkins announced. The new additions, all recent graduates of the CHP Academy in Sacramento, started their beats Saturday. Each was paired with a veteran officer.
