THE PEARL AND THE PRICE

Jesus' parable of the man who "sold all that he had" (Matt. 13:46) to purchase the pearl of great price is filled with promise today. For Christian Science is this "pearl," this promised Comforter, this demonstrable spiritual understanding—adequate and available to all for rescue and release from every human woe.

The "price" is our surrender of the afflictive human thinking causing our troubles. To learn how to give up these human fears, how to grasp and follow and find freedom, step by step, through the liberating understanding that Christian Science brings, is explained fully in its textbook

Church Men Discuss Plans To Raise Building Funds

A record attendance of men turned out Monday evening to plan details for financing the new St. Lawrence Martyr Parish. The meeting was held at the Knights of Columbus Hall, 214 Avenue I, Redondo Beach.
Father Thomas English, of St. Joseph's Parish, Pomona, was the guest speaker. His parish recently completed one of the most magnificent new churches in the Los Angeles area.

Father English; Msgr. Collins, pastor of St. Lawrence Martyr; and E. J. Champion, chairman of the St. Lawrence fund drive, explained ways and means of fund raising for the local parish.
The enormous project being undertaken by the parish will eventually be in excess of \$1 million, according to Msgr. Collins. The drive will be conducted on Feb. 19, according to present plans.
An addition of this magnitude will add much to the entire South Bay area. Msgr. Collins said, because a new church, elementary and high school will be built.
