

New Red Cross Residential Leaders Meet

Spurred on by the Western flood crisis, which has reduced the national Red Cross rehabilitation fund to less than \$1,000,000, residential leaders for Torrance's forthcoming Red Cross campaign, urged immediate volunteer organization at a recent meeting attended by their five newly appointed division chairmen.

The new division chairmen, who will assist Mrs. Ben Haggett and Mrs. Herma Tillim, co-residential chairmen, in recruiting section chairmen and door-bell ringers, are Mrs. Elmo Reese, 29958 La Salle; Mrs. Robert Underwood, 329 Avenida Atezada; Mrs. Edward Fay, 5405 Linda Dr.; Mrs. Marjorie Stevens, 20615 Madrona Ave.; and Side Kasen, 4122 Pacific Coast Hwy.

"One more disaster—even of moderate proportions—would wipe out every penny in the American Red Cross relief and rehabilitation fund," stated the residential leaders, as they stressed the necessity of preparing to oversubscribe the 1956 Red Cross appeal.

They pointed out that Torrance, like all communities participating in the 1956 drive, will be asked to accept a goal "showing a considerable increase" over 1955, in order to assume its share of the twin goals being carried by the Los Angeles Chapter for the purpose of taking care of the excessive flood rehabilitation costs.

Aside from the \$3,100,000 needed to finance the blood program, to provide for any impending disaster, and to maintain eight other Red Cross services, the Los Angeles Chapter has accepted an additional quota of \$258,000 as its share of the \$5,000,000 earmarked for rehabilitation of flood-stricken areas throughout California.

Local fund raising operations will be conducted from 2410 Carson St., Torrance, where a temporary office has been established.

Volunteers Needed for Heart Fund

Volunteers are critically needed to help with the Heart Fund campaign this month, according to Mrs. Pat Evans, chairman of the Torrance volunteer group.

"We have had only a trickle of volunteers," Mrs. Evans said today. "We need a great many more to help with all phases of the campaign, but particularly Heart Sunday, Feb. 26."

Torrance has been divided into campaign districts based on elementary school attendance zones, Mrs. Evans stated. "Only the North Torrance Elementary School has provided more than a very few volunteers. But everyone has a heart."

Local citizens wishing to help with the Heart Fund campaign may contact Mrs. Evans at Davis 9-3828.

Edmund Gibbs Elevated by Savings-Loan

Edmund A. Gibbs, prominent Whittier banker and civic leader, has been appointed senior vice president of American Savings and Loan Association. The appointment was announced by S. Mark Taper, chairman of the board of directors.

Gibbs, one of the founders of the Bank of Whittier, still serves the bank as a director. He has also been on the board of directors of American Savings since 1951.

At the meeting, the board of directors of American Savings also announced the names of its members who would serve on the association's policy committee. In addition to Gibbs and Taper, the committee will include the association's president, Stuart A. Ripley, and the executive vice president, Reese H. Dorr.

American Savings and Loan Association, until recently known as Whittier Savings and Loan Association, has its main office in Whittier, and maintains branches in Friendly Hills, Temple City, Puente, Redondo Beach, Manhattan Beach and Montrose.

The association has assets of over \$88,000,000, with reserves at the highest peak in history.
