Warriors to Test Team Strength Tomorrow Night Against E.L.A.

El Camino College's 1957 basketball contingent will clash with the East Los Angeles Huskies tomorrow night at 8 p.m. in its second conference tilt.

The Metro contest will be played on the Huskies' court. On Tuesday the Warriors return to the Camino gym and host Harbor JC, last year's Metropolitan conference and State champions. Tip-off time will be at 8 p.m.

Coach George Stanich and his crew ran up against some tough competition in the Sam Barry Memorial Tournament held in Glendale during the Christmas vacation and dropped its first two contests.

Ventura JC ran through the Warriors' defense to rack up an impressive 92-59 win in the opening game of the tourney, but worse things were yet to happen when the Caminomen squared off against Fullerton JC.

Up until this year's Glendale tournament, the Fullerton crew has held the tourney scoring record with 113 points in one game, but the record was erased when this year's squad racked up 119 digits in trouncing the Warriors, 119-72.

The Warriors continued its bad luck in tournament play when it lost a 79-71 decision to Modesto Thursday in the first round of play in the annual State Tourney held at Modesto.

FOREST DOMAIN

The combined area of the U. S. national forests is now computed to be one and one-third times that of Texas.

ROD & GUN Chatter

By DONNA BARKDULL

Surf enthusiasts have already started to tromp likely strips of beach seeking the elusive barred perch, figuring it's time to drag out all their surf equipment after hearing murmurs concerning 2nd St. in Hermosa. So far have heard only of a couple taken at the hot-spot for three pounders. Even these are the 'so and so, told so and so that a friend of his caught

them" kind. Strictly hear-say. Regardless, it's anyone's guess when they will move in. According to previous years, the latter part of January should set the steady stream of eager anglers in motion.

The first surf derby of the new year was held last Sunday for females of the fishing set. Any species of fish except sharks and rays were acceptable. Winner was Charlotte Pigg with a 3 lb., 8 oz. opal eye taken at Laguna. In second spot also with an opal eye hitting 3 lbs., 4 ozs. was Mary Anderson. Both received prizes and beautiful trophies. Prizes also were awarded gals who came in third, fourth and fifth.

Jan. 27th is the date set by the Rafu Angling Club for their second annual three-man team perch derby. Registrations are at Zuma Beach with anglers fishing anywhere, as long as they meet the check-in deadline.

Every Rod and Gun club in Southern California is making preparations for the annual Redondo Rod and Gun Perch Derby scheduled for Feb. 17th. Five-man teams will be strung along every beach from San Diego to as far north as Morrow Bay, hoping to latch on to limits besides a few lunkers to take top honors in the biggest of all perch derbies.

The waterfowl season ended last week and for every area except along the Colorado River. Taking one last crack at Bakersfield were Paul Smith, Howard Myers, Clyde Baumgardner, Glenn Price, and Tim Smith. All bagged at least one duck with Tim ending up with four. Hot shot! Spent most of their time blasting jack rabbits of which there were plenty.

All season long Chick Hill has brought back limits of ducks and quail from the Colorado River, on the Arizona side. Out of state licenses had to be purchased, but seems well worth it considering you can at least get some shooting in.

The North midget league with eight teams, and the North pee wee league, for sixth graders and below, held practice sessions at the North High Gym.

Gardena Rod and Gun members Jack Pollock and Bob McNess ran across a potential spot for opal eyes about 300 yards off New Port Beach. They found some submerged rocks and said they saw some that were two feet long—they always look bigger in the water—landed eight or 10 with the topper hitting 3 lbs., 12 ozs. Thought they would do better under more favorable weather conditions.

The South pee wees and Central pee wees, each league having six teams, began warming up.

Also starting Tuesday night play was the Recreation Department's North High boy's league, open to all boys in the school who are not members of one of the school's regular teams. Plans for a Wednesday night session for Torrance High boys also were revealed by Moon.

will be the Gardena mob this Saturday night. Gal Gilbert is taking the helm for the coming year, assisted by Mac Mercuriades. These two and their helpmates should make it another year to remember for their members. Know they will always remember last year as Torrance Rod and Gun pulverized them in every derby the two clubs competed in. Intend to gain back their fishing status or take up golf.

First of the local clubs to install newly elected officers

Gaucha Athletes To See Films Of Olympics

Glen McCormick, coach of the American Olympic divers; Joe Berry, head grid coach at Harbor Jaycee, and Don Shinick, UCLA's outstanding football linebacker, will head a list of guests and celebrities who will attend the annual fall athletic awards banquet at Narbonne High School next Thursday evening.

Sponsored by the Narbonne High Letterman's Club, the annual father and son event will honor the high school athletes who were members of the school's teams last fall, including varsity and Bee football, Varsity, Jaycee, Bee, and Cee basketball, and the cross-country team.

Tickets for the dinner are now on sale at the school for \$1.50. School officials will barbecue steaks for the event, which should assure a capacity crowd, according to the sponsors. Tickets are being sold on a first-come, first-served basis, according to Coach Mike Marjenthal, sponsor of the Letterman's Club.

Play Starts In Winter Casaba Loop

Torrance Recreation Department's winter basketball program now under way has attracted more than 520 boys and 60 adults, who will be playing on one of the 60 teams in a nine league organization, according to E. S. "Red" Moon, athletic director for the department.

The South-Central midget league, composed of boys who are in the seventh and eighth grades, had 10 teams playing a practice round of games last Saturday in the Torrance High gymnasium. They were getting ready to open league play at the same location Saturday.

The North midget league with eight teams, and the North pee wee league, for sixth graders and below, held practice sessions at the North High Gym.

The South pee wees and Central pee wees, each league having six teams, began warming up.

Play in the adult league began Tuesday evening where the teams will battle through a 10-week schedule to select the city champs.

Also starting Tuesday night play was the Recreation Department's North High boy's league, open to all boys in the school who are not members of one of the school's regular teams. Plans for a Wednesday night session for Torrance High boys also were revealed by Moon.
