The Walteria Business Women's Club held its installation-of officers on Jan. 8, at the home of out-going president, Mrs. Robert S. Sleeth Jr. of Las Cadenas Ave.

The club first enjoyed a chicken dinner at the Plush Horse restaurant, adjoining to the Sleeth residence for the installation ceremony. The officers for the coming year are: President, Mrs. Loring Bigelow; vice president, Mrs. Wilmet Labit; treasurer, Mrs. C. D. Wood; corresponding secretary, Mrs. Robert E. Waegner; and recording secretary, Mrs. E. J. Sorenson.

Other duties assigned for the year were: Parliamentarian, Mrs. W. Labit; Torrance Educational Advisory Committee and publicity chairman, Dr. E. Thill; sunshine chairman, Mrs. Virgil Hancock; hospitality chairman, Mrs. Mase Moton. Mrs. Moton was installation officer for the evening.

## Marineland Restaurant Slates Show

The Marineland Restaurant, which next month begins its third year in Palos Verdes, will embark upon a new and bigger entertainment policy on Feb. 5 in conjunction with the celebration of the dining establishment's second anniversary.

In line with the new entertainment program, the scenic "Porpoise Room" at the Marineland Restaurant will feature top-name musical attractions, beginning with the Bernie Jones Four, which owner-host George Foster has signed for an indefinite engagement.

The Bernie Jones Four, which is a musical harmony group, follows the lengthy run of the Yvonne Rivera Trio that soon winds up its engagement.

Observance of the Marineland Restaurant's second anniversary and launching of the "Porpoise Room" as a top entertainment spot will be marked by a two-day celebration, Feb. 5 and 6.

Cocktail and dinner-supper service will continue to be provided in the "Porpoise Room," while dining without musical entertainment will also continue in the main circular dining room.

the family are now the proud possessors of a 3/4 size pinto horse given them by their grandparents, Mr. and Mrs. C. E. Lightle of Barstow.

The horse is a permanent resident of the Barstow ranch since there just isn't room for a horse in the local Lightle back yard. Consequently there is a breathless wait between weekends when the boys are waiting another trip to Barstow and their new Christmas present. The pet has lovingly been christened "Snooper."

Bill Manis, of Danaha St. is recuperating nicely after undergoing major surgery week before last. Manis underwent bone grafting to correct a lack of bone in the leg which was seriously injured last year in a traffic accident.

Dale Cooper of Ward St. decided to work in his yard a week ago Sunday and energetically get about with the pitch fork. He was too energetic though, since he sent a line of the fork clear through his big toe. Luckily he missed the bone so things weren't as bad as they might have been.

The local Cub Scouts are busy making plans for the Blue and gold dinner to be held at the Torrance Auditorium next month.

The Den Mothers held their meeting last week at the home of Mrs. Paul Kean, Madison St. Discussed for the night was the theme of January, "Eyes in the Sky." Mrs. Cass Russak brought activity suggestions including sun-dials, space ships, rocket projects, and space stations.

The Men's committee meeting at Ray McLaughlin's home on Danaha St. will be held next week, while the Parent's meeting will be held this Friday at the Scout House at 7:30 p.m.

Don't forget that March of Dimes campaign folks. Mrs. Monaghan is still looking for volunteers to "march" a block in the door to door "Mother's March" on Jan. 31. If you can help, give her a ring at DA-6-5306.

Brownie Troop 1806 is another busy group these days. Last Saturday the little "mothers" were taken on a field trip through the doll hospital at Wilmington where they could see first-hand the "cures" wrought by expert hands.

Fifteen girls went on the jaunt with mothers Mrs. Peter Medina, Mrs. Frank Howe, Mrs. Glen Ellis, Mrs. Jack Farmer, Mrs. Chuck Beck, Mrs. George Day, Mrs. Thomas Coleman, and Mrs. Wally Shepard.

The last mother's meeting was held at the Ellis home on Newton St. the first Thursday of the month. The next mother's meeting will be held on the first Tuesday of February at the home of Mrs. Jack Farmer, Wintlock Dr. Most immediate activity of the girls now is the cookie sale to be held in the near future.

Mrs. and Mrs. John Monaghan renewed friendships last

weekend when guests at their Army pals. A luscious filet mignon dinner added enjoyment to the visit.

Rev. and Mrs. Wendell Hook of Ocean Ave. are proud parents of a brand new son born on Jan. 8 at the Seaside Hos-

pital in Long Beach. Well on his way to being a six footer, the babe measured 22 inches in length. Eight pounds, four ounces was the reading on the scale. Christened Robert Francis, he joins three-year-old sister, Beth, in

the family home. Proud maternal grandparents are Dr. and Mrs. Francis McCrear of Long Beach.
