

Couple Celebrates 14th Wedding Anniversary With Trip to Ohio

By VERA C. WRIGHT

Barry, Alan, and Kathy Brackett's friend dog "Ginger" was in for a treat on Jan. 31 when they paid her a visit at the Dog-Cat Hospital. It seems that she was so excited about being able to play outdoors after her rainy indoor sojourn at her 4270 W. 182nd St. home that she ran out into the middle of the street and was hit.

Mr. and Mrs. W. Newton, 18521 Amie Ave., were slightly ill after the incident that wrecked their new car. It seems that some driver was unable to judge distance and the Newton car sitting on their driveway was hit.

Wedding bells rang out for Mr. and Mrs. John D. Wilson (Elsie), 14 years ago Wednesday, Jan. 30, in Ohio, and so quite appropriately they decided to go back to Ohio to celebrate. The popular couple did not take a vacation last summer so they could take advantage of this anniversary week celebration! Neighbors held a coffee hour for the couple and presented them with a four-piece luggage set with their name imprinted in gold!

which are hidden within our community are the dresses for her daughter, robes and pajamas for her grandchildren, made by Mrs. Jerry Westmoreland, of 18305 Roslin Ave., who is also the hospitality chairman of the El Nido PTA.

Best wishes are extended to Peggy Le Francois, of 1002 Firmona, who has been having a long siege of illness.

Mrs. A. L. MacKenzie, 4332 W. 179th St., hosted the Jan. 28th card party of the

North Torrance Canasta Ladies. A two-tone gelatin dessert and coffee was served while Therese Schuster opened her first prize gift and Claudine Blake her booby prize.

Rest and quiet, especially quiet, has been recommended for David Minear who has had a sore throat.

Best wishes are extended to Paul W. Herring, of 18312 Roslin Ave., who has had another bout with the sick bug.

Our sincere sympathy is extended to Kay Muramoto whose father passed away.

Mrs. Erich Schuster is the subject of much discussion in our community for she is now sporting a short attractive pixie haircut.

Johnny Long will never stand near a furnace again for during a "leaving on the furnace" session he smelled cloth burning and said so in no uncertain terms to his wife,

Edith. After an examination of the entire household she found the seat of the trouble! Yes, it was the seat of Mr. Long's pants!

The happy faces of Betsy Foster, Mrs. Elmer Ecker, Mrs. R. Packham, Mrs. A. Chadwick, and Lester Foster could be seen midst the gay decoration of the El Nido PTA car in the parade recently.

Mrs. Elmer Ecker, Mrs. A. B. Cowie, Mr. and Mrs. Harry Van Bellehem are but a few of the faces from North Torrance that I had a glimpse of at the All-American Award banquet. Chatting with Mr. and Mrs. Muri Reeves and Mr. and

Mrs. Doyle French at the celebration dance later was very pleasant.

Mrs. Henry Clark was in for a pleasant surprise last week end when her cousins, Mr. and Mrs. Douglas Jensen, invited her and husband to accompany them on a two-week vacation to New York, all expenses paid! When the Jensens first arrived in this fair state 18 years ago, the Clarks offered them free lodging for six months and helped with the down payment on their home so this trip is the Jensens' way of saying "Thank you!"

Danny McGee will never wish for pink clothes again for

it seems that this 11-year-old before Christmas and so upon opening his presents he discovers pink trousers, pink shirts, pink socks, pink bowties, pink sweaters, pink handkerchiefs, pink socks, and yes indeed, pink underclothes!

This isn't bad enough but his 12th birthday rolls around and he gets a pink wallet, pink pajamas, pink trunks and, as he said, "adding insult to injury," an enormous pink birthday cake with pink candles, pink napkins, pink strawberry ice cream, and pink candy!

Best wishes to nine-month-old Malvina Haws, of 18404 Roslin Ave., for she accidentally dropped a lamp on her little leg and sporting a large white bandage.

Mr. and Mrs. Vernon Burch, 18229 Roslin Ave., made Sacramento their destination last week end. They invited Mrs. Glen Runsted and daughter, Joann, to accompany them so that Mrs. Runsted could visit with her son, Gordon Cambridge, his wife, Barbara, and their three sons, Edwin, Mark and Dennis, former residents of north Torrance.

Happy birthday wishes were sung to two members of the Allan Reeves family on Jan. 28 for baby Elizabeth reached the one-year mark, while brother, Allan Jr., celebrated his third birthday. They all joined in on sister Jane's sixth birthday celebration on Feb. 4th. Mom Janice displayed her talents by providing Elizabeth with a pink doll cake and Allan Jr. with a cowboy doll cake which she baked and decorated.

Mary Felbush, Frances Hon, Sandra Myers, Beverly Timmons, Ronald Stremel, Billy Wright, Billy Post, and David Hooker all helped Wayne Wright celebrate his 13th birthday on Sunday, Jan. 27.

The bevy of young beauties were much admired at the skating rink where they skated for almost three hours. After the skating session ice cream and cake was served at Wayne's home, 18328 Roslin Ave., and door prizes were awarded to guests while Wayne opened his many lovely gifts.

If you live within the vicinity of 3403 W. 188th St., you probably heard a loud whoop of joy issuing from the William Skiles chalet for a 7 lb., 3 oz., dimpled young lady by the name of Ganelle Mary, decided to grace their home-stead.

Grandmother Mary Nealy is beaming with pride for she is privileged to keep watch over Ganelle for her first two weeks.

Best wishes are extended to Mrs. Gloria Hernandez, of 18404 Roslin Ave., who has had a large number of doctor visits to make during the past two weeks.
