The meeting has been called to discuss dental health problems and to explain to parents the program sponsored by the Dental Health Assn., which this year will have local dentists examine the teeth of all first and third graders in the city schools.

Announcement of the meeting was made at the executive board session of the Fern-Greenwood PTA held at the home of Mrs. L. H. Volen, 1924 Hickory Ave.

Other matters discussed by the board at the session included a paper drive, which has been scheduled for March 8. Proceeds will be divided between the general fund of the Fern-Greenwood unit and the scholarship fund established by the Torrance PTA Council.
