### American Field Service Plans Pancake Breakfast

The American Field Service committee is working hard to raise sufficient funds to bring two foreign students to Torrance next summer. A breakfast will be served on Sunday, April 28, at the Civic Auditorium from 9 a.m. to 2 p.m.

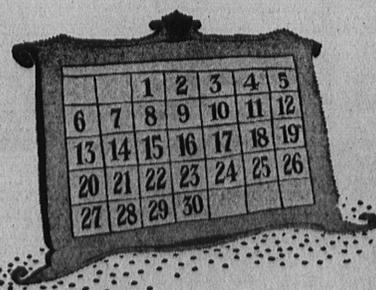

Mrs. J. E. Popovich, general chairman of the breakfast, called a meeting of the committee at her home Tuesday morning to discuss plans for the breakfast. Present at the meeting were Mrs. Dean Sears, co-chairman; Mrs. J. B. Mosley, president of the local chapter of AFS; Mrs. Francis Stoekel, ticket chairman; Mrs. A. C. Turner, chairman of tables and decorations. The foods committee includes Mrs. John Melville, Mrs. Grover Vanderventer, and Mrs. Mervin Schwab. Others working on the breakfast will include Mrs. Elmer Moon, Mrs. J. L. Hinds, Mrs. Henry Graef, and Mrs. F. W. Lane.

### Schools Hire New Official

Employment of Clifford E. Robinson, director of secondary education in the curriculum division of the Oregon State Department of Education, as educational consultant to the Torrance Unified School District was approved by the School Board Tuesday. As consultant to the school district, Robinson will help in formulating the high school curriculum. The 48-year-old educator has served as principal in several Oregon school systems and has headed the high school department for Oregon for several years. He holds a doctorate from the University of Oregon. He is married and has two children.

Mrs. Popovich announced that this will be a Pancake Breakfast with all the trimmings for a small donation of only 50 cents per plate. The time is scheduled for 9 to 2 so that the public can attend church before breakfast or after breakfast as they wish. Mrs. Mosley states that all money donated to the American Field Service is used exclusively to bring foreign students to the city of Torrance. The AFS committee is comprised of civic-minded citizens who donate their time and effort to this cause. A small collection is taken among the committee members of AFS at the monthly meetings to defray the expense of stationery and postage.
