

# Homeowners Seeking Solution To Madison St. Ditch Problems

By BETTY MITCHELL  
DA 6-4438

The 12th meeting of the Council Club was held on Saturday, March 10. Seven couples came together for the evening of surprises, both culinary and entertaining. The affair was in the form of a potluck supper with many toothsome dishes making their appearance. Games and talk finished the enjoyable get-together.

There is another brand-new resident in our town. She is Miss Stephanie Lynn Allison who arrived on March 5 at the San Pedro Community Hospital. She tipped the scales at a healthy 135 lbs. and measured a dainty 32 1/2 inches from top to toe. Stephanie will join daddy Bob and mother Carol in the family home on Danaha St. along with her two big brothers, Steven and David. Proud and happy grandparents are Mr. and Mrs. Bill Cunningham of Palos Verdes, and Mr. and Mrs. Warren Allison of Wichita, Kans.

The Little League dance held last Saturday evening at the Hollywood Riviera Club turned out to be quite a success with a large crowd of little leaguer moms and dads attending. That stunt of tying balloons to ankles and trying to keep from breaking them, along with other games, kept the evening full of fun and excitement. The Little League dads, by the way, have been giving hours of work to re-clearing the ball park which was inundated with mud during the recent flood waters. It won't be long now before said park is back in action.

Welcome week-end guest at the home of Mr. and Mrs. John Monaghan of Danaha St. was Mrs. Emma Summers of Huntington Park. The visit was the scene of fond reminiscences since the Monaghans stayed at Mrs. Summers' home when John was with the U.S. armed forces during World War II.

There are many of you readers who will be glad to hear that the annual sunrise service will be held again this year under the sponsorship of the Walteria Businessmen's Club. The service will be held at 11:45 a.m. at the Recreation Park on 242nd St. J. A. Beasley is general chairman this year with the able assistance of James Whitmer and Virgil Hancock. This is always an inspirational service held for our community and the program is co-operatively given by the three churches here in Walteria.

ner of Winlock Drive has been very ill with a painful "strep" throat. Get well soon, Lee.

Mrs. Claire Gall of Danaha St. was very pleasantly surprised last Friday morning when neighbors dropped in unexpectedly to wish her a happy birthday. Bringing small tokens of their regard, and a beautiful cake baked by Gloria DeCaro, the ladies joined round the table for a birthday brunch. Those wishing: Claire; many happy returns included Jan Ellis, Carol McFarland, Gloria DeCaro, Carol Allison, Angie Cooper and Betty Mitchell.

Hear that the Jerome Cognans of Dalemead St. have sold their house and are planning an immediate move to Garden Grove. Sorry to see them leave, but may we wish them the best of luck in their new residence.

The Frank DeCaro celebrated Frank's birthday last Monday evening with a trip to see the Olinema "Holiday" and came back thrilled with the production.

I know many of you readers are concerned over the rumors floating round about our town losing its Recreation Park which has been well used, although very inadequate for our now expanded community. The park now in use, as most of you know, is situated almost directly on Pacific Coast Hwy. which in itself set up a safety

hazard for our children. It has been suggested, and well received by the recreation commission that a larger park site and more centrally located site be found for this purpose in our town. The Walteria Businessmen's Club has been working on this project and have found a location for the park which will be much larger with room for a small lake, tennis courts, picnic grounds, etc., as well as being away from the highway where traffic will create no hazard. Working on this

community project as a committee are Bud Ross, Bob Cramer, J. A. Beasley and Al Muir. The plan is taking shape now as a definite possibility. If some of you would like to let the recreation commission know what you feel on the subject they would probably be glad to get your letters. Let's let the men know we are 100 per cent behind them in obtaining this needed improvement.

Gilbert "Sandy" Saunders recently spent a happy 10-day leave with his family on Ward St. Sandy is stationed on a minesweeper with the U.S. Navy.

The Pacific Hills Homeowners' Association held its last board meeting at the home of Don Filman, Gerald Alford, the new president of the association, presided. Under discussion was the problem of drainage here in our community, including the long-festering problem of the Madison St. ditch. By the way, the new officers of the association, elected at the last general meeting, are Mr. Alford, president; Mrs. Harriet Miles, vice-president; Mrs. Orlean Myrno, secretary; J. H. Johnson, treasurer; new serving his second term in this office; E. Robinson, entertainment chairman; Joe Reed, refreshment chairman; Mrs. Paul Jones, publicity chairman, also serving a second term; Don Filman, sergeant-at-arms; Lynn Johnson, membership chairman, and E. S. Schoonover, civic chairman. Serving on the board, beside the officers, are Stanley Carter, Ralph Palmer and Mrs. Helms.

Mrs. Kitty Jones of Dalemead St. had underhand surgery recently. Glad to hear she is well on the way to complete recovery.

Mr. and Mrs. Bob Mann of Danaha St. celebrated their wedding anniversary in grand style with a dinner party at Coffee Dan's, and then an evening of entertainment in San Pedro. Joining with the happy couple to help celebrate were Mrs. Walter Mann, Mrs. Rita Lamprecht, Mr. and Mrs. Al Langston, Mrs. and Mrs. Joe Merrill and Mr. and Mrs. John Monaghan.

Sorry to hear that Lee Waeg-
