SHOESTRING STRIP

Openings Still Available for Well Baby Clinic Each Month

By **MILLIE ROBERTSON**
FA 8-7886

Brownie Troop 267 had a full week during their spring vacation. They enjoyed a trip to the Pepsi-Cola plant in Los Angeles. The girls reported that they enjoyed this very much as they were allowed to drink all they wanted as long as the bottles had no labels.

Donna Wilson and her mother entertained the troop with a kidnap breakfast on Friday the 13th in the morning. Then to finish the week Anita Tracy and her mother had an Easter party and egg hunt for them on Friday afternoon.

The troop is now busy making Mother's Day gifts for their mothers. This troop's leaders are Mrs. Ted Stevens, Mrs. Paul Rowe, and Mrs. Herbert Wilson, and they are sponsored by the Hallidale PTA.

The Mothers' Club of Brownie Troop 267 held its monthly meeting April 5 at the home of Mrs. Herbert Wilson. After a short business meeting they surprised the leader, Mrs. Ted Stevens, with a stork shower. Mrs. Stevens plans on leaving for New Hampshire where she will make her home. The mothers attending were Mrs. Wilson, Mrs. Anthony Bruch, Mrs. Paul Tracy, Mrs. Emmanuel Coats, Mrs. V. Caltri, Mrs. Paul Rowe, Mrs. Stevens, Mrs. Kadman, Mrs. James Banihaux and Mrs. Elton Dye. After the shower the ladies were served refreshments by the hostess.

A correction must be made: Last week I mentioned that the well-baby clinic is under way. But we must have 350 babies on the list and 40 in attendance. A mistake was made to read that there was already 350 babies on the list. There is not, so please sign up if you want this service.

With the work progressing so good on 227th St., the residents are beginning to feel that it is worth while to do their spring housecleaning. The job should be close to the end and what a difference it will make. We want to thank Councilman Gibson for all the improvements he has helped us to obtain in the recent months.

Joe Goss of San Pedro, son of Joe Goss, whom we all know, has been chosen to be on the Ephelblans, Los Angeles city school system honor society. Jim is a student of San Pedro High School.

The third annual Pinewood Derby was held Saturday, April 21, at the Newhall playground in Wilmington. Many of our boys took their cars over and competed against several hundred boys. I'm sorry we didn't win any of the big prizes but we plan on doing just that next year. Over a hundred of our boys made cars and really did a fine job.

Remember the meeting of the advisory board which is to be held May 1 at Normandie Recreation Center. The Shoestring Strip is urged to attend as the meeting will be centered around civil defense. Richard Dickey will be our speaker for the evening.

Over 350 dogs were inoculated April 19 at the Recreation Center. This will insure us more safety against rabies. There were four doctors and several workers and also some of the women helped to complete this service in three hours.

The annual program of spring dances and activities will follow the theme of Mexico this year and features the crowning of the flower queen at the Flower Fiesta. Boys and girls will participate in dances and tumbling activities. A play bullfight will also be featured on the program with boys in costumes of our neighboring country acting as the bullfighters. Everyone interested is invited to attend by Miss Alice Dunbar, director of girls' and women's activities at Normandie. The program will start promptly at 11 on Saturday, April 28th.

Track and field activities for boys will be divided into three classifications. Midgets: boys 12 years and under; Juniors, boys 13 and 14 years of age, inclusive; seniors, boys 15, 16 and 17 years of age, inclusive. This meet is open to any boy who has never earned a letter in track and field and who is now a member of the 9th, 10th,

Tartar Teen Talk

By **KAREN HESTER, DA 6-4391**

The GAA had a snow cone sale last Thursday and Friday. I think everyone will agree the cones were delicious.

The one-act play teaser, "One Will Have Sorrow," written by Penny Phillips, was staged last Tuesday. It was really a sharp play, Penny.

The "Tears," vocal group which is quite popular around campus and consists of Teri Akera, Dick Dawson, Sherwood Tiernan and Jill Moore, have been auditioning and making records for Johnny Ots this week. Best of luck, kids!

Speaking of Johnny Ots, I hear there were a few Tartars sitting in the audience of last week's TV show.

Dennis and Marilyn Moss just got back from a little vacation in Arizona. It wasn't exactly a tennis tournament there. I didn't hear the results but they didn't come back empty-handed at least—you should see their tan.

Thursday and Friday the eighth grade class of Howard Wood School was seen visiting our campus, preparing for next year. How did you like it, "Scrubs"?

April 11 the Deltas had their installation of new officers. New president is Sue DeNevers while Margaret Rushford is vice president; Janeen Ronhovee, secretary, and Maureen Bradford, treasurer. Corsages were given to all outgoing officers.

After confirmation Sunday night Delores Garcia had a dinner for a few guests. Those attending were Evelyn Salas, Riley Allen and Sylvia Magelanes. The menu included fried

11th or 12th grade school semester. Events will start at 1:30 p.m. on Saturday, April 28 at the Normandie playground, 22400 S. Hallidale. Each boy will be allowed to participate in only two events such as one dash and one field event, or one dash and a member of a relay team, or one field event and a member of the relay team, or two field events.

chicken, scalloped potatoes and cake with a cross for decoration.

Have all you Tartars seen Butch Hazel's new red '56 Buick? To quote Butch, "It's a Bu-u-u-ick."

Southwest Park Residents Hear Recreation Talk

The use of leisure time determines the culture of the people. Harry Van Bellehem, director of recreation for Torrance, told a large group of new Torrance residents at a recent meeting of the Southwest Park Civic Assn. "In the event that no major war intervenes," he said, "it is expected that the American labor forces will go on a shorter work week in the next five to 10 year period — perhaps a 32-hour work week. Leisure time will absorb part of the extra time, recreation will become even more important than it now is."

The city official pointed out that recreation is filling a need not realized by most of the people.

"Neighborhood parks should be developed to serve the different communities," Van Bellehem said. The primary point, he emphasized, is to get the land for housing tracts are fast using up the available land in the area.

At the next meeting of the group, scheduled for 8 p.m., May 1, at the Carl Steele School, Mayor Isen will explain the organization of the city government.

A meeting for teenagers also has been scheduled for May 4 at which time plans for monthly youth activities will be discussed.

SOIL EROSION
Farmers of the U.S. have been forced to abandon more than 25 million acres of crop land in recent years because of soil erosion. Average loss is about 500,000 acres per year.

MEET THE NEW BOSS

in the Performance Department!

Come in and Drive the Surprise Car of the Year!

The word's getting around fast—the big, handsome husky you see here is the big surprise that caught the industry a year or so off balance! But it didn't come as any surprise to Pontiac engineers that they had the year's performance sensation.

They knew all along that it would be, because they started from scratch and designed the most modern and efficient high-compression, high-torque V-8 engine in America!

Then they tailored an all-new Strato-Flight Hydra-Matic* especially for Pontiac's high-stepping Strato-Streak power plant—and for nothing else! The blazing action of 227 horses is yours in a flash with the positive, no-lag action of gears—plus an amazing liquid coupling for a smooth, uninterrupted flow of power to the wheels. Bring yourself up to date—come in and pilot the surprise car of the year—you'll soon see what the talk's all about!

And don't be afraid to ask about price, for that's another pleasant surprise—the one that will let you boss the best on the road for a great deal less than you probably think! *An extra-cost option.

The car says 60 and the price won't stop you!
