

# El Nido Women to Discuss Aid For Children Tomorrow Morning

By VERA C. WRIGHT  
FR 2-2288

Anyone interested in obtaining more information about the volunteer group that is assisting in the Harbor General Hospital in the children's wards is invited to attend the meeting which will be held at the home of Mrs. A. B. Cowie, El Nido community leader on Tuesday, May 8 at 10 a.m. Someone will be on hand to discuss the functions of the "Volunteers for Children" organization.

The most décolleté gowns in north Torrance are being worn, not by Miss, but Mrs. George Morrow, whose husband's business makes entertaining at least two evenings a week a must! Those of us who have been fortunate enough to eye the beautiful Irene Morrow all glamored up feel that she should be named among the 10 leading best-dressed ladies in our country!

Congratulations to Mr. and Mrs. John Mason and sons, Jerry and Dick, for their reservations are now in and all preparations have been made for their trip which will be a tour throughout the Pacific Northwest, Vancouver, and Victoria. This dream has been in existence for the Masons for the past eight years and all birthdays, anniversaries, and Christmas present money for those years was put into the piggy bank and so they will enjoy three months of travel time. Have fun, Masons!

Lead pencils that turn out to be rubber, cold cream jars that turn out to be serpentine, evening snacks that take place around 2 a.m. are just a few of the things that go into making a Womens Convention into a lot of laughs and merriment for those taking part. Enid Runsted was one of a group that represented Sigma Alpha Epsilon sorority at the convlave held at the Lafayette Hotel in Long Beach.

Please remember that school elections take place on Friday, May 18, and that it is your duty as well as your privilege to be able to vote on that day.

Plans for the Perry school graduation class party are certainly shaping up with excitement galore being expressed by every student as well as parents. All this under the capable guidance of Mrs. A. MacKenzie who states that the location for the gala affair is the Western Club.

Happy birthday to Mrs. S. Powell whose birthday was celebrated on Saturday, April 21, with son Jimmy taking over all the household chores while daughter June prepared all the

LES ISAACS  
... Joins American Savings

## Isaacs Named Ad Manager for Savings Assn.

Les Isaacs, formerly accountant executive with Milton Weinberg Advertising Co., Los Angeles, has joined American Savings & Loan Assn. as advertising manager of the seven Southern California offices. Isaacs will headquarter American Savings' main office at 210 East Philadelphia St., in Whittier, and all advertising and public relations for American Savings offices in Whittier, Friendly Hills, Puente, Temple City, Monterey, Manhattan Beach and Redondo Beach will be coordinated by him.

Isaacs brings to the rapidly growing American Savings offices a background in advertising at both local and national levels. Prior to joining the Weinberg Agency, he was advertising manager for the suburban stores of The John Breuner Co., home furnishings chain in Northern California, for five years. Previously, he was a copywriter and production manager for L. S. Ayres & Co. in Indianapolis. Announcement of the appointment of Les Isaacs was made by S. M. Taper, chairman

of the board of American Savings & Loan Assn. meals and father Stewart stepped in to finish up the special day with movies and a turn around the miniature golf course.

I'm still green with envy since my two good friends, Mary and John Jackson, had a ball at the annual Headdress Ball of Las Floristas at the Coconut Grove. Due to a case of laryngitis I spent the evening at home!

Good luck and much happiness follows the lucky couple, Mr. and Mrs. Earl Higgins who have just left north Torrance to live in Carmel where their number one will soon make an appearance (sometime before the end of May). The Higgins love their new home but already miss their old neighbors and friends.

Mr. and Mrs. G. Wheatley entertained their guests, Mr. and Mrs. W. Mitchell and Mr. and Mrs. M. Carroll of Louisiana, with dinner at a local restaurant.

Mexico's national holiday, Cinco de Mayo, has become an institution for several dance parties to be given in our community. Fiesta dress as well as fiesta scenes are to be recreated for the enjoyment of those in attendance. With so many similar ideas taking shape, Mr. and Mrs. Herman Martinez and Mr. and Mrs. Antonio Cortez decided to co-host one big affair and their individual invitations combined now total 33 - 33 couples!

Letters from Luray, Kans., inform David Minear Sr. about the wonderful musical rating received by David Jr. and so the entire community is hopefully wishing that the rest of the Minear family decide that Torrance will be their new home by summertime instead of next year.

Surprise of the year was experienced by Mrs. Ruby Bunic at a surprise baby shower given for her by friends, Mrs. F. Sullivan Jr. and Mrs. W. Smith. Happiest youngsters in the entire community were David, Cathy, and Barbara Jean Bunic who were also in attendance.

Among the many neighbors whose pictures have been seen in the newspapers here lately was one of Mary Moe of Kingsdale Ave. of whom the neighborhood is very proud.

One of the pretties young matrons within our midst is Mrs. Bob Davis who persuaded her husband once again that Torrance will be her hometown now and always! Mr. and Mrs. Davis moved away just before the stork paid them a visit for the first time and now they return with Barbara Rae, Russell and Jimmy.

Mrs. Roy Dohner, 17211 Prairie, had various envious glances cast in her direction for she is sporting one of the newest and loveliest handmade Hawaiian springtime handbags.

Best wishes are extended to Mrs. Kenneth Metcalf of Regina Ave. who has had quite a sojourn in the hospital.

When old friends get together they can have loads of fun as Marion Mellor, Helen Burch and daughter Della, Enid Runsted, and Mildred Westmoreland found out when they dined out - minus husbands!

Have never seen anyone work in their garden so energetically as good neighbor Gloria Hernandez who has many lovely plants and trees which are responding to her ever present green thumb!

Mr. and Mrs. Vincent Mazarra can well be proud of their 18254 Hawthorne Blvd. chateau for their job of interior decorating is compared with those of the best in the country.

Carol and Jack Clements can well be proud of their mother's friend for she has been an angel indeed now that the stork wings are slowly hovering over their domain, they are waiting to welcome their first heir!

### Local Photographer Wins Print Contest

Print competition is held at each meeting between members of the Association. Judging is done by guest photographers and awards are made in eight categories.

The prize winning prints will be on display in the lobby of radio station KNX in Hollywood throughout the month of May.
