A family night pot luck supper was held at the Seaside Community Club on Friday evening, May 15, at El Retiro Park, 230th and Ocean Aves. The affair was a success. It was well attended and the food was delicious. The program, planned by Dorothy Harrison and Betty Pauling, included an evening in Magic, a magic show by Jim Unsworth, of Los Angeles, was enjoyed by the adults and children alike. The committee is to be commended for their part in making this evening to be long remembered.

The Greenhumpers Garden Club held a barbeque luncheon, Sunday, May 15, at El Retiro Park. Included in the delicious menu were hamburgers, hot potato salad, potato chips, relishes, cupcakes, coffee and punch. Committee members organizing this feast were Bess Sellmeyer, Evvie Horton, Dorothy Solis, and Paul...

Greenhumpers attending the barbeque included, Evvie Horton, Florence Barrow, Dolly Matgorin and two children, Dorothy Solis and one child, Betty Fitzgerald and three children, Josephine Fitzgerald, Viola Klug, Paul Rahm and two youngsters, Martha Knight and two of 7 spring, Ida Handley and two children, Martha Kollek and two children, and Bess Sellmeyer.

Guests for the barbeque were, Dawn Wilhelm and one young child, Gisella Rahm, our German belle, Aileen Shepard and three children, Marjorie Shepard, a visitor from St. Catherine's, Canada, Margaret Corey, and Mrs. Paul Kollek Sr., visiting from Columbus, Ohio. All attending had a wonderful time and wish to thank the committee for same. Our president, Valerie Elliott, was unable to attend, due to the illness of one of her youngsters.

The monthly meeting of the Garden Club was held Thursday evening, May 17, with 15 members on hand. Guests invited to

sit in on the meeting were Marge Moss, Margaret Corey, Dawn Wilhelm, Elinor Greenwood, and Cecelia Kollek from Columbus, Ohio. All enjoyed a talk by Mrs. Frances Young, district director of 2 A, on "How to Arrange a Flower Show." She gave everyone many interesting and helpful suggestions for the forthcoming flower show, to be held at Seaside School Auditorium, June 8 and 9. More about that next week.

Aileen Shepard was presented a corsage by Dolly Matgorin, our Sunshine Chairlady, welcoming Aileen as a new member of the group.

Over 30 members of the Adult Club from the Adult Center of Torrance chartered a bus last Saturday and spent a delightful time at Marineland. A delicious lunch at the restaurant was enjoyed by all. Mr. and Mrs. John Klug, May Rampley, and Betty Harrison all took the coast boat trip, which proved to be very interesting. When it came time to leave, one member was so interested in the exhibits that we had to look for him. He was almost left behind.

In the stork department, Mr. and Mrs. Herb Lieberman, 3428 Palos Verdes Blvd., announce the birth of a son, Bruce Lawrence, April 28, weighing in at 7 lbs., 11 ozs., at Daniel Free

man Memorial Hospital. He has come to join his brother and sister, Danny and Jeanette. The proud grandparents are Mr. and Mrs. Frank D'Angelo, of Los Angeles, and Mr. and Mrs. L. Lieberman, also of Los Angeles.

Irene Claire Thompson, of Linda Dr., had an impromptu birthday party, Saturday, May 19. It was Irene's sixth on the

14th, but aunts and cousins were present on Saturday for the celebration. Present were Gregory, Frankie, and Mary Ann D'Angelo of Santa Ana, and Danny and Jeanette Lieberman. Favours of balloons and pinwheels were given each child. Several games were played, including pinning the tail on the donkey, in which Frankie D'Angelo carried off the boys prize, and Jeanette Lieber-

man won the girls prize. Ice cream and cake was enjoyed by all.

Several readers have called me with certain grievances. These include the cats of Linda Dr. sitting on people's back fences and serenading the sleeping house holders all night. Fun's fun, but the youngsters, wakened by the racket, are frightened and have difficulty getting back to sleep. Another gripe concerns the lawn sprinklers which water not only the grass, but also the sidewalks, forcing children on their way to school to share the

streets with oncoming automobile traffic.

It also seems time for a reminder that there is a leash law in this area. Several people have been bitten by stray dogs and are going to take steps to see that the law is enforced.

Street lights for Palos Verdes Blvd. are still being worked on. It may be possible to have them

erected in the parkway. Some people seem to prefer the ornamental poles if possible.

WHAT'S DOING

R. S. Pyle, your Telephone Manager in Torrance

TAX COLLECTOR

R. S. Pyle, Pacific Telephone Vice President (right), makes final payment of 1935-36 property taxes to H. L. Byram, Los Angeles County Tax Collector.

What makes a company a good citizen?

We, at the Telephone Company, often ask ourselves what makes a good citizen because both as men and women and as a Company we want to be the best citizens we can. A good citizen pays taxes, of course. And, naturally the Telephone Company does this, paying property taxes of \$13,393,800 last year in this county alone. As you know, this money comes from the telephone bills you pay. And the tax dollars we pay are dollars that contribute a substantial amount to good government in the community. But we believe it's not enough just to be a taxpayer. So we try to do our part in the community in other ways. We think it is important to take part in the activities of the Community Chest, the Red Cross, the Boy and Girl Scouts and other community affairs. Fact is, we believe the ways of being a good citizen are unlimited and we're anxious to do our part.

Wish them well—by long distance

A wedding is one of the most important events in their lives. And a long distance call, wishing them well as they step out together, will make them feel extra good. For occasions like this or when you just want to take a few minutes to say hello to someone special, long distance is the warm and close way. Why not look in your directory and see how very little it costs to call someone very dear to you.

How to go shopping in your armchair

It's easy when you use the Yellow Pages. No matter what you want, be it a new furnace or just a can of paint, you'll find who sells it and you'll find them fast by looking in the Yellow Pages. The classified part of your telephone book comes in handy, too, when you'd like to shop around a little, get prices without leaving your house. Yellow Pages are a good guide to good shopping. Use them often. Pacific Telephone.
