Blood May Be Life Saving Prescription, Donors Told

"Blood plus dollars equal lifesaving prescriptions," was the assertion made by Mrs. Gordon Jones, Red Cross blood program chairman for Torrance, today as she reminded that the Red Cross bloodmobile will be at the Civic Auditorium on June 11. Urging donors to make appointments for next month's

bloodmobile visit by calling DA 6-1617, Mrs. Jones went on to explain that whole blood or a blood derivative is prescribed for thousands of hospitalized patients each month.

"Should the patient be you or a member of your immediate family," she stressed, "Red Cross will fill the prescription."

At the same time an invitation was extended to the public by Dr. Don C. Moshos, Red Cross branch chairman, to attend the annual meeting of the Torrance Red Cross on Friday, June 8, at the YWCA building.

He pointed out that all contributors to the annual fund campaign are members of the Red Cross organization and are entitled to take part in the scheduled election of members of the board of directors, and the forming of policies for the coming fiscal year.

Prior to the election of officers, the 1955-56 performance of the Torrance branch will be reviewed by local Red Cross service volunteer chairmen.

Reservations for the dinner meeting may be made by calling Mrs. Jones at DA 6-1617.

Curtis Park Group

Discusses Problems

Tentative playground, location sign, streetlights, and sidewalks were discussed at a recent meeting of the Curtis Park Home Owners Assn. at the home of Mrs. Douglas Roberts, 118 W. 224th Pl.

Facts pertinent to the possible installation of street lights were presented by a representative of the Edison Co.
