### New 'Save-A-Tape' Premium Plan Offered by Safeway

Southern California Safeway patrons will find a new type of premium awaiting them when they shop for the family's food supplies this week end.

The plan is designed to give the food firm's customers a variety of beautiful, useful, and valuable gifts free of any charge in exchange for special envelopes containing pink Safeway cash register receipts.

The system, known as the "Save-A-Tape" plan, is very simple, explained a company spokesman.

"The customer places her pink Safeway cash register receipt tapes in a 'Save-A-Tape' envelope until she has accumulated \$17.50 worth of receipts. This then becomes one premium envelope. She then starts another envelope until she has the required number of \$17.50 receipts saved for the desired premium."

Many premiums, it was pointed out may be had for as little as two envelopes of receipts. For example, two envelopes will be exchanged for a 5-piece place setting or three

### Torrance Man Arrested For Burglary Here

One man was arrested and another is being sought by detectives in connection with the burglary last week of the National Electric Products Co., 2750 Lomita Blvd.

Clayton R. Fountain, 24, of 23840 Hawthorne Ave., was arrested this week on burglary charges. He reportedly admitted to authorities here that he and an accomplice took about \$1550 worth of electric wire from the firm in the break-in.

Detectives said they found some of the wire stored in the garage of a Lomita man, who also was arrested on burglary charges. Fountain told police, however, the other man was not involved in the burglary.

Police said Fountain and an unknown accomplice kicked in a window at the store to gain entry. They then took the wire. They planned to sell the wire for junk, authorities said.

Police got a lead on the suspects when they were found burning the insulation off the wire in a vacant slough area of Los Angeles. They were surprised by the land's owner, detectives said, and left, but not before the license plate number on their car was taken down by the land owner.
